Post Office Money Order System.

GENERAL POST OFFICE, Halifax, 1st June, 1859.

ON the 1st July next a Post Office Money Order System, founded upon that in operation in England, will commence in this Province at the undermentioned Offices. Every Office in this list will be empowered to grant a Money Order upon any other of the Offices named, under certain conditions and regulations, of which the following are the principal points:

- 1st. An Order will be issued for any sum under and up to Five Pounds, but cannot exceed that amount. 2nd. The charge for the issue of a Money Order has been fixed for the present at Six Pence, to be paid by the applicant for the Order. 3rd. The name and address of the party desiring to obtain a Money Order, and the name and address of the party to whom payment is to be made, must be furnished to the Postmaster called upon to issue the Order and Printed Forms of Application on which this information may be clearly stated, will be supplied to the public at the respective Money Order Post Office. 4th. The value of a Money Order will be paid at the Post Office on which it is drawn only to the party whose name has, for this purpose, been given to the issuing Postmaster by the person who obtained the Order. 5th. Persons presenting Money Orders for payment, will have to afford to the paying Postmaster reasonable evidence that they are the parties authorized to receive the amount. 6th. When it shall happen that Money Orders to a greater amount than the revenues of the office drawn upon can meet, the payment of such Orders may be deferred for six days, to enable the paying Postmaster to receive funds from the head office.

Other Offices will be added to the Money Order List, as the public convenience may require. It is desirable in all cases of irregularity, &c., which may follow upon the commencement of a system so entirely new to the Offices entrusted with this business, that the complaint should be communicated, without delay, to the Postmaster General, in order that the irregularities or defects may be promptly corrected.
