Ayer's Pills

Are particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.

Subjoined are the statements from some eminent physicians, of their effects in their practice. AS A FAMILY PHYSIC.

From Dr. E. W. Carterwright, of New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

FOR JAUNDICE AND ALL LIVER COMPLAINTS. From Dr. Theodore Bell, of New York City. Not only are your PILLS admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed.

DYSPEPSIA — INDIGESTION. From Dr. Henry J. Ross, of St. Louis. The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine.

DYSENTERY — DIARRHOEA — RELAX. From Dr. J. G. Green, of Chicago. Your PILLS have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found.

INTERNAL OBSTRUCTION — WORMS — SUPPRESSION. From Mrs. E. Stuart, who practices as a Physician and Midwife in Boston. I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms.

CONSTIPATION — COSTIVENESS. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint which, although bad enough in itself, is the progenitor of others that are worse.

IMPURITIES OF THE BLOOD — SCROFULA — ERY-SIPELAS — SALT RHEUM — TETTER — TUMORS — RHEUMATISM — GOUT — NEURALGIA. From Dr. Ezekiel Hall, Philadelphia. You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy.

FOR HEADACHE — SICK HEADACHE — FOUL STOM-ACH — PILES — DROPSY — PLETHORA — PARALYSIS — FITS — &c. From Dr. Edward Boyd, Baltimore.

DEAR DR. AYER: I cannot answer you what complaints I have cured with your PILLS better than to say all that ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Ayer's Cherry Pectoral

As long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy of the world has ever known for the cure of all pulmonary complaints; for COUGHS, COLDS, HOARSENESS, ASTHMA, CROUP, WHOOPING COUGH, BRONCHITIS, INCIPENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings.

Prepared by Dr. J. C. AYER, PRACTICAL AND ANALYTICAL CHEMIST, LOWELL, MASS.
