THE SKIN is formed with thousands of pores in every inch of surface, whose office is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin, under these circumstances, to perform its proper functions and to carry off the impurities from the body as designed by our Creator.

MORSE'S INDIAN ROOT PILLS remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty.

Beauty without paints and cosmetics—but beauty produced by health and happiness.

MORSE'S genuine Indian Root Pills are sold by G. E. Morton & Co., Wholesale Agents, Halifax.
