CONTEMPLATED DONATION VISIT.

What Baptist in this Western Section of the Province, does not cherish the memory of the late Richard W. Cunningham with undying affection? His labours of love—his usefulness in our churches will not soon be forgotten. But should we forget her, who was many years the wife of his bosom, and who in the loneliness of her widowhood, deserves our sympathies? We feel it to be our duty, taking into consideration the living and the dead, to evince our christian regards for our sister, who is still in our midst.

We therefore appoint the twenty sixth day of January next, on which to pay her a DONATION VISIT. To this call, we doubt not, multitudes of our brethren and sisters will cheerfully and liberally respond. We need not add another word except to say that Brother Charles Pinkney of Digby will take charge of any thing forwarded for the object referred to. The Widow's God is taking cognizance of even every 'cup of water, bestowed in the name of a disciple.'

All Baptist Ministers are requested to favour the Donation, and receive contributions for the purpose from those who may not be able to attend personally. To all, however, we say, COME, and cheer our sister's heart by your presence at Rose Cottage.

CHA'S. RANDALL, JOHN G. MORSE.

Digby County, Dec. 15th, 1859.

NOTICES.

There will be an adjourned meeting of the Board of Governors of Acadia College in the College Library, on Wednesday, January 18th, 1860, at 11 o'clock, a. m.

STEPHEN W. DEBLOIS. Wolfville, Dec. 23rd, 1857.

The following highly complimentary notice of the well-known firm of J. C. Ayer & Co. is from the pen of a distinguished American Journalist:—

HOW STARTLING ARE THE RAVAGES OF DISEASE! How small a proportion of mankind live in perpetual health and die of old age! Disease, the insidious destroyer of our race, ever steals upon the anchorage of life, to cut it from its moorings. Ceaselessly it gnaws at the vitals of existence, like a worm in the bud, which, undisturbed, must bring it to decay. With these melancholy facts in view, can we underestimate the importance of such labors as look to the discounture of our common enemy? Knowing that we cannot, we feel warranted in extolling to our readers the enterprise of our distinguished fellow citizen, Dr. J. C. Ayer & Co.

Few, if any, individual interests in the State are larger than this, and surely none compares with it in the vast extent of its operations and the immense importance of them to the well-being of multitudes of men. Their life-long labor has been to devise means of cure for the prevailing disorders of the American people, and their endeavors are known to have the co-operation of the best medical intelligence and skill this age affords. That they have done much for the cure of disease, no fair-minded man will deny; and that the laudable aim of their ambition is to accomplish still more in this work of philanthropy, is justly an object of pride to us, their fellow-townsmen, as well as of congratulation with the suffering sick all around us, and all over the world.

The preparations of J. C. Ayer & Co. (see adv col's) are sold by all Druggists and Merchants. The trade supplied by MORTON & COGSWELL, Agents, Halifax. Sept. 21.—6 m.
