TURKEY

Turkey is engaged in the great work of Financial Reform; but has begun with the ladies. The vast cost of the harems, both that of the Sultan and those of his pashas, appear to be among the chief causes of excessive expenditure, and of corruption and intrigue also.

THE MOORS AND SPANIARDS.

War between Spain and Morocco seems all but certain. Indeed, the two nations are already in the position of belligerents, although hostilities have not actually commenced. The forces of Spain are ready, though it is said they are not fully provided with all the supplies usual in the conduct of war at the present time.

But what are they to "kill each other for"? This we ought to be able "to make out." The manifesto of the Moor and that of the Spaniard have been published almost together.

The general charge against the semi-civilised natives of Morocco is true enough. The Riff pirates we have all heard of; and it is probable that, however desirous, for the sake of peace with the mighty Powers of Europe, the Emperor might be, he was really unable to restrain their depredations.

STONE'S Improved VEGETABLE LIQUID CATHARTIC.

Cures the Piles, Cures typhus Fever and Ague, Cures all Rheumatic Affections, Cures the Canker and disease of the Skin, Cures Liver Complaints and Costiveness, Cures Humors of every kind, restores lost Appetite, Cures Bilious Affections and Purifies the Blood, Cures Dyspepsia and promotes Digestion, Cures Neuralgia and Nervous Debility, Cures Dysentery and Diarrhoea, Cures Headache.

STONE'S LIQUID CATHARTIC

May be relied upon in all the above complaints.—It is pronounced by all who use it to be decidedly the best Family Medicine ever offered to the public; it is not intended to be used simply as a physic, but is designed as a complete remedy in those cases for which it is recommended, and will be found as such. The reader is requested not to expect too much from its use in too short a time, but give it a fair trial, and then speak of it as you find it.

Most persons requiring a cathartic, labor under the erroneous impression that its action should be speedy and powerful; this is altogether a mistake. The bowels should be moved slowly and gently, giving the medicine time to cleanse the stomach and act upon the whole system. Rest assured that this remedy is sufficiently powerful and active for all the purposes of a family physic.

Price 50 Cents, and \$1.00, PREPARED BY G. W. STONE, LOWELL, MASS.
