### Are particularly adapted to

derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.

Subjoined are the statements from some eminent physicians, of their effects in their practice.

As a FAMILY PHYSIC.

From Dr. E. W. Cartwright, of New Orleans. "Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS.

From Dr. Thendore Bell, of New York City. "Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

Dyspersia - Indigestion.

From Dr. Henry J. Knox, of St. Louis. "The Pills you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other renredies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY - DIARRHEA -- RELAX. From Dr. J. G. Green, of Caicago.

"Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses, for bilious dysentery and diarrhoa. Their sugar-coating makes them very acceptable and convenient for the use of women and

INTERNAL OBSTRUCTION-WORMS-SUPPRESSION. From Mrs. E. Stuart, who practises as a Physician and Midwife in Boston.

"I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION - COSTIVENESS.

From Dr. J. P. Vaughn, Montreal, Canada. "Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and

IMPURITIES OF THE BLOOD - SCROFULA - ERY-SIPELAS - SALT RHEUM - TETTER - TUMORS - RHEUMATISM - GOUT - NEURALGIA.

From Dr. Ezekiel Hall, Philadelphia. "You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them." FOR HEADACHE - SICK HEADACHE - FOUL STOM-ACH-PILES-DROPSY-PLETHORA-PARALYSIS

-Firs-&c. From Dr. Edward Boyd, Baltimore. "DEAR DR. AYER: I cannot answer you what complaints I have cured with your PELS better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly."

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Ayer's Cherry Pectoral

as long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints; for Coughs, Colds, Hoarseness, Asthma, Croup, WHOOPING COUGH, BRONCHITIS, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country, in every state and city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any depend-ence on what men of every station certify it has done for them; if we can trust our own senses when we see the dangerous affections of the lungs yield to it; if we can depend on the assurance of intelligent physicians, whose business is to know; in short, if there is any reliance upon any thing, then is it irrefutably proven that this medicine does cure the class of diseases it is designed for, beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community, have failed, and been discarded, this has gained friends by every trial, conferred berefits on the efficient the conferred benefits on the afflicted they can never forget, and produced cures too numerous and remarkable to be forgotten.

Prepared by Dr. J. C. AYER, PRACTICAL AND ANALYTICAL CHEMIST, LOWELL, MASS.
