

MUNICIPAL.—The past week has been productive of a little excitement in the city, in the election of a new Mayor and Aldermen.

Up to the morning of Saturday various efforts had been made to set forth the virtues and qualifications of the different candidates for the mayoralty, and there was no small amount of manoeuvring, by the friends of each one, to depreciate the others;—some thinking a mechanic preferable to a merchant, and *vice versa*; others believing a lawyer more suited to maintain the dignity of the office than either. The balloting on Saturday was done very quietly and resulted as follows:

FOR MAYOR:
Mr. Caldwell, 478;
Mr. Twining, 353;
Dr. Cogswell, 76;
Mr. Mignowitz, 63.

FOR ALDERMEN:
Ward 1.—John Duggan.
Ward 2.—John D. Nash.
Ward 3.—James Duggan.
Ward 4.—William Evens.
Ward 5.—Richard T. Roome.
Ward 6.—Joseph Jennings.

Mr. Edward Leahy was elected Aldermen on Monday to fill the vacancy occasioned by the resignation of Aldermen Forriestall.

FIRE-SCREENS AT FIRES.—The *Evening Transcript* of Saturday last recommends that iron shields lined with cork or some other non-conducting material, be provided as a part of the Fire Department apparatus; so that a fireman may be able to stand nearer, and play upon a fire, than he is able to do at present. The necessity for some such contrivance has been shown by the temporary screens used for that purpose on late occasions being burnt, and the firemen being driven from their positions.

SONS OF TEMPERANCE.—Thursday last was observed by the City Divisions as the Anniversary of the introduction of the Order to the City. An entertainment was held in the Division Room on the occasion. There were about 300 persons present—more than could be comfortably accommodated. The speakers were Mr. Sheehan, in the chair; Mr. J. S. Thompson, Rev. Mr. Brewster, Mr. J. L. Whytal, Rev. Mr. McGregor, Master J. Thompson, and Mr. W. M. Brown. The Refreshments, music and speeches, all give the greatest satisfaction.

SOIREE.—A number of the Chalmers Church congregation held a Soiree in Temperance Hall, on Wednesday last, to welcome the return of the Rev. Mr. Hunter. An address was read by James Forman, Esq., to which Mr. Hunter made a suitable reply. The Hon. Wm. Young and the Rev. M. McGregor, Sprague and Churchill addressed the meeting.

The following SHIPS OF WAR were lying in HALIFAX HARBOR on Saturday last, 1st inst.:—*Indus*, 78, Captain Hall; *Tartar*, 21, screw, Captain Dunlop; *Cossack*, 20, screw, Captain Moorman; *Gladiator*, 6 paddle, Com. Hickley; *Devastation*, 6, paddle, Com. Baird; *Jasper*, 2, gun boat, Lieut. Com. Pym.

It is said that a number of men-of-war may be expected here during the present season.

CAPTURE OF A MOOSE AT SEA.—On yesterday while some men belonging to the Eastern Passage were out fishing off Devil's Island, they saw a large moose swimming out to sea. Four men, viz: Michael Edwards, John Edwards, Andrew Henneberry, and another whose name we did not hear, all got into one boat, and made chase after the animal, which they succeeded in capturing, by throwing a noose around his horns. The boat with the prize in tow, was then headed for Devil's Island, where the men safely landed him. We say him, for the animal turned out to be a large bull moose. He will be brought to the city probably to-day or to-morrow, for exhibition or sale.—*Express*.

It was reported in Charlottetown that the Lieut. Governor had received instructions by the last mail steamer, authorising him to dissolve the present Legislative Council of P. E. Island, and to appoint new councillors.

Sir Alex. Bannerman, Governor of Newfoundland, accompanied by his lady, arrived here on Saturday last, in H. M. Steamer *Tartar* from St. John's, N. F.

AN OLD TRAVELLER.—John Murphy, an old man, 92 years of age, took lodgings last night at the Station house in Chelsea. He came from Nova Scotia, and had travelled some three hundred miles with a large bag filled with provision and clothing lashed upon his back. He was bound to Chicago to visit a son who is residing there. A purse was made up in change at Chelsea, which will enable the "Old Traveller" to take a ride on the rail from Boston to his destination.—*Boston paper*, Sept. 20.

Rev. C. Hibbard, writing from Burma to his father says:—I have used Perry Davis's Vegetable Pain Killer for coughs, colds, summer complaints, burns, bruises, and for the sting of scorpions, with uniform success. We always keep it where we can put our hands on it in the dark it need be.

The public meeting in St. John resulted in passing a series of resolutions recommending the abolition of all inspection whatever on flour.

A Pearl and Potash manufactory is about being commenced at St. John N. B.

The Rev. Dr. Clay lectured at Sussex Vale, on the 8th ult., on "Matrimony."

The BAZAAR at Fredericton on Wednesday week realized upwards of £100.

A WINDFALL.—Yesterday morning Captain Wilson, of Miscoo Island, brought into this port a dead Whale, picked up between Miscoo and Miramichi Bay. It is about fifty feet long, and they expect to get between 75 and 100 barrels of oil. We have understood from parties that it is valued at about £100.—*Gleaner*.

FREDERICTON ACADEMY.—From the Report of the Western N. B. Baptist Association, in the C. *Visitor* we learn that this Institution under the care of the Rev. C. Spurden is progressing. "In the two departments, it numbers nearly 60 pupils, and a further increase is expected. The Female School is prospering under the instruction of Miss Magee; and the Boarding department is in a healthy state. All this is encouraging; but as one brother justly remarked, the Academy building needs some repairs, and a good coat of paint would greatly improve its appearance. Hand over the needful funds, and the worthy Principal will be sure to have all this done in proper style."

A son of Sir Edmund Head was drowned at Three Rivers on the 21st inst.

CRYSTAL PALACE IN HAMILTON.—A meeting of gentlemen interested in the erection of a Crystal Palace for Exhibition purposes in Hamilton, took place in that city a few days ago. Sir Allan Mc Nab, Isaac Buchanan, Esq., M.P.P. and other influential citizens were present. A subscription was entered into, and about \$2,000 subscribed on the spot.

The following highly complimentary notice of the well-known firm of J. C. Ayer & Co. is from the pen of a distinguished American Journalist:—

How STARTLING ARE THE RAVAGES OF DISEASE!—How small a proportion of mankind live in perpetual health and die of old age! Disease, the insidious destroyer of our race, ever steals upon the anchorage of life to cut it from its moorings. Ceaselessly it gnaws at the vitals of existence, like a worm in the bud, which, undisturbed, must bring it to decay. With these melancholy facts in view, can we overestimate the importance of such labor as looks to the discounting of such laborers as look to the discounting of our common enemy? Knowing that we cannot, we feel warranted in extolling to our readers the enterprise of our distinguished fellow-citizens, Dr. J. C. Ayer & Co. Few, if any, individual interests in the State are larger than this, and surely none compares with it in the vast extent of its operations and the immense importance of them to the well-being of multitudes of men. Their life-long labor has been to devise means of cure for the prevailing disorders of the American people, and their endeavors are known to have the co-operation of the best medical intelligence and skill this age affords. That they have done much for the cure of disease no fair-minded man will deny; and that the laudable aim of their philanthropy, is justly an object of pride to us, their fellow-townsmen, as well as of congratulation with the suffering sick all around us, and all over the world.

The preparations of J. C. Ayer & Co. (see adv. col's) are sold by all Druggists and Merchants. The trade supplied by MORTON & COGSWELL, Agents, Halifax. Sept. 21.—6 m.

Messrs. PERRY DAVIS & SON:—Dear Sirs:—Having used your PAIN KILLER for two years, I find it to be the best medicine for what it is recommended for that I have ever used. I feel thankful for the benefit I have received from it. I have been troubled with dyspepsia for ten years, and tried * * * * * to no benefit. But as soon as I got to using your PAIN KILLER I found relief, and by the use of it I am entirely cured. For chills and fever or congestive chills, it is the best medicine I have ever used. I have used it for a great many different complaints, and it has never yet failed in giving immediate relief.

PARK'S PRICKLY PLASTERS.

They soothe pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plaster, and are cheaper at 25 cents than others at 10. Where these plasters are, pain cannot exist. Weak persons, public speakers, delicate females, or any affected with side, chest or back pains, should try them. You will then know what they are. They are a new feature in the science of medicine. All Druggists have them. Take no other. Each Plaster bears a Medallion Stamp and our Signature.
