THE ANNUAL OF SCIENTIFIC DISCOVERY for 1859 a year book of facts in Science and Art, pp. 410. Gould & Lincoln, Boston.

This is a closely printed full volume of new discoveries during the past year. It gives them under the heads, Mechanics and the useful arts; Natural Philosophy; Chemical Science; Geology, and Zoolgy. In all these branches whatever is new and worthy of notice is given in a concise yet complete form, which renders it a most important contribution to scientific progress. New inventions are here put on record : the volume will therefore form a valuable addition to every respectable library.

THE LONE HOUSE a poem by Cassie Fairbanks.

The subject of this poem is Rebecca Langley, who kept a house of entertainment in a lonely situation on the Guysboro' road, and was murdered by Alexander McDonald in 1854.

The Elections.

Since our last issue Nomination Day has come and gone without any very serious disturbance we believe in any part of the Province. Before our present number reaches some parts of the province the question of who shall be the representatives in Parliament will be finally settled. Thanks to the Simultaneous Polling Bill the suspense will be over in each district to-morrow. We do not apprehend any violent proceedings,-Polling day being a week after the Nomination gives time for a little cooling down of the feelings which may have been then excited. No absolute certainty can exist as to the shape a majority in the House of Assembly may assume until they meet in Parliament. Seldom we believe has there been so much uncertainty as to the results of an election, a new feature in the science of medicine. All Druggists Several of the Opposition Candidates profess have them. Take no other. Each Plaster bears a to be Conservatives, whilst . not one on the Medallion Stamp and our Signature. government side, we believe, acknowledges himself of the Liberal party.

WESTERN HALIFAX -In the city there was of course some little excitement in the neighbourhood of the Court House. The candidates and those who moved and seconded their nomination addressed the Electors. Nothing parti- & Co., Agents, have received in connection with this cular was said but what has been frequently journal, parts 1, 2, 3, 4 and 5 for 1859. A few portraits aged 24 years. expressed in behalf of the two parties. One of (proof impressions) of Major-General Sir John E. W. the Conservative candidates charged the Opposition with canvassing for their own two candidates and Tobin! This was denied however bridge, Commander-in-Chief; His Grace the Archbishop as unauthorized by gentlemen on the hustings. of Canterbury; the Bishop of Oxford; the Bishop of Stairs was speaking, but it was soon put down.

EASTERN HALIFAX. - At Musquodoboit about 350 persons are said to have been on the ground The solier part of them seem to have been of all the portraits hitherto published may now be had not so from doing mischiet.

CUMBERLAND. - At Amherst an immense assemblage gathered,-many from New Brunswick. Several came from long distances for the purpose of hearing the Hon. W. Young. Most unfortunately for him and them however he had been working so hard in canvassing that with the addition of a heavy cold, he could not make himself heard, and was unable to finish his speech-Mr. W. A. Morse, a clever student in Mr. Y.'s office, then came forward and spoke on his behalf.

SHELBURNE. - John Locke Esq. was returned by a show of hands, there being no opponent on the day of nomination.

QUEENS .-- The six Candidates were nominated at Liverpool. Half an hour was agreed upon as the time to be allowed to each party for speaking. It is said that Messrs. Minard and Smith are inelligible, even if elected, as they did not resign their office as Postmasters ten days before the holding of the Sheriff's court.

YARMOUTH .- Jesse Shaw Esq. has offered for the township in the Opposition interest.

Guysboro - Abram Whitman Esq. we are informed, is one of the candidates for this county instead of Mr. Purcell in connexion with Hon. J. J. Marshall. Some desperate fighting took place at a rum establishment on Thursday

HANTS.—Nomination Day passed off at Windsor very quietly. Mr. Elder is said to have spoken well. It is reported that Mr. Chambers had tried to make an exchange with Bennet Smith Esq. a. o. it guisants si am

We are sorry to hear that Rum in immense quantities has been sent amongst their constituents by several of the candidates. This we think potent only for mischief and we hope the electors will show their appreciation of tha kind of influence by knocking in the heads of the casks before it has time to do its destructive

The PARADE in front of Dalhousie College has been embellished with trees-some of then quite large and handsome. We hope they may be kept from destruction by the boys and the may then soon enjoy their pleasant shade.

The Bridgetown Examiner is suspended for the present.

No. 1 of the Evening Transcript a small shee was issued from the office of Mr. W. Cunnabe on Saturday last.

SIR BRENTON HALLIBURTON,-The bench and bar in a body waited upon his Lordship the Chief Justice with an address of congratulation on his having received the distinguished title of K. C. B. from Her Majesty. The interview we understand was one of much interest and pleasure to all concerned.

From the Press.

PERRY DAVIS'S PAIN KILLER .- This medicine has become an article of commerce—a thing no medicine ever became before. Pain Killer is as much an item in every bale of goods sent to country merchants as Tea Coffee or Sugar. This fact speaks volumes in its favor - Glens Falls Messenger.

Mr John Jackson publisher of the Calais Advertiser, writes: I know it to be all it is recommended; having used it in my family for six or seven years.

DAVIS' VEGETABLE PAIN KILLER .- Notwithstanding the many imitations of this article, and many other medicines in the market pretending to answer the same purpose, yet the sale of Perry Davis' Vegetable Pain It is one of the few articles that are just what they daughter of John Ballam, Esq., of Arichat. pretend to be. Try it .- Brunswick Telegraph.

Sold at Wholesale by George E. Morron & Co. AVERY, BROWN & Co., and by Druggists generally.

PARK'S PRICKLY PLASTERS.

They sooth pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plasters, and are cheaper at 25 cents than others at 10. Where these plasters are, pain cannot exist. Weak persons, public speakers, delicate females, or any affected with side, chest or back pains, should try them. You will then know what they are. They are
