From the Press.

Every mother and housekeeper must often act as a family physician in the numerous illnesses and accidents that occur among children and servants. For many of these cases, Davis's Pain Killer, is an indispensable article. In diarrhoea it has been used and effected cures. For cuts and bruises it is invaluable.—N. Y. Examiner.

PEARLY DAVIS'S PAIN KILLER.—This medicine has become an article of commerce—a thing no medicine ever became before. Pain Killer is as much an item in every bale of goods sent to country merchants as Tea, Coffee or Sugar. This fact speaks volumes in its favor.—Glens Falls Messenger.

Sold at Wholesale by GEORGE E. MORTON & Co., Ayray, Brown & Co., and by Druggists generally.

PARK'S PRICKLY PLASTERS.

They soothe pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plasters, and are cheaper at 25 cents than others at 10. Where these plasters are, pain cannot exist. Weak persons, public speakers, delicate females, or any affected with side, chest, or back pains, should try them. You will then know what they are. They are a new feature in the science of medicine. All Druggists have them. Take no other. Each Plaster bears a Medallion Stamp and our Signature.
