THE ELECTIONS.—We give below as complete a list of Candidates for seats on the red benches as we have been able to obtain.

Our readers in some of the more distant localities may possibly discover some omission, but we have reason to believe that the following is a pretty correct return of the names.

Some of these gentlemen and their friends are, of course, doomed to disappointment. We have marked with an asterisk (\*) the names of those who were members of the late House of Assembly. According to this list there are forty-one of these, consequently twelve of our late Representatives have retired from this contest.

Some who profess to know a vast deal about the state of parties, predict very confidently the return of their own friends and the downfall of their enemies. They prefer to have correspondents who keep them posted up in the progress they are making, and they therefore imagine they know all about matters. Their predictions may, however, turn out very far from the truth.

P. P. P. PARK'S PRICKLY PLASTERS.

They soothe pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plasters, and are cheaper at 25 cents than others at 10. Where these plasters are, pain cannot exist.

Weak persons, public speakers, delicate females, or any affected with side, chest or back pains, should try them. You will then know what they are. They are a new feature in the science of medicine. All Druggists have them. Take no other. Each Plaster bears a Medallion Stamp and our Signature.

BARNES & PARK, 13 & 15 Park Row, N. Y. Also,—Lyon's Magnetic Insect Powder. April 27. 6m.

P. K. Travelers are always liable to sudden attacks of Dysentery and Cholera Morbus, and these occurring when absent from home are very unpleasant.

PERRY DAVIS VEGETABLE PAIN KILLER may always be relied upon in such cases. As soon as you feel the symptoms, take one teaspoonful in a gill of new milk and molasses and a gill of hot water, stir well together and drink hot. Repeat the dose every hour until relieved.

If the pains be severe, bathe the bowels and back with the medicine, clear. In cases of Asthma and Phthisis, take a teaspoonful in a gill of hot water sweetened well with molasses; also, bathe the throat and stomach faithfully with the medicine clear.

Dr. Sweet says it takes out the soreness in cases of bone-setting faster than anything he ever applied. Fishermen, so often exposed to hurts by having their skin pierced with hooks and fins of fish, can be much relieved by bathing with a little of the Pain Killer as soon as the accident occurs; in this way the anguish is soon abated; bathe as often as once in five minutes, say three or four times, and you will seldom have any trouble.

The bites and scratches of dogs or cats are cured by bathing with the Pain Killer, clear. Great success has been realized by applying this medicine as soon as the accident occurs.

Sold at Wholesale by GEORGE E. MORTON & Co., AVERY, BROWN & Co., and by Druggists generally.
