**THE ASSOCIATED ALUMNI OF ACADIA COLLEGE.**

Halifax, May, 1860.

ON the 20th day of December last, a number of the Alumni, and other friends of Acadia College, met in the College Library at Wolfville, and formed a Society called "THE ASSOCIATED ALUMNI OF ACADIA COLLEGE," in aid of the Institutions at Horton, to be composed of all who had studied either at the College or the Academy in Horton or Fredericton. The term of Membership was fixed at an Annual payment of 20s., or a donation at any one time of £25, to constitute a Life Membership. All other friends of the Institution, or of education generally, upon being balloted for, may become Members, on the above terms.

At that meeting, a Committee was appointed, composed of the following five gentlemen, namely, James W. Johnston, Junr., Rev. S. W. deBlois, Rev. David Freeman, and Alfred Chipman, Esq., charged with the duty of obtaining from the Legislature, an Act of Incorporation—of preparing a constitution and by-laws, and of corresponding with, and obtaining the co-operation of the Alumni of Acadia College—and the students of the two Academies as far as practicable.

It is contemplated to found and sustain, either wholly or in conjunction with the Governors, Professorships,—and to assist the students, by the bestowal of scholarships or pecuniary donations, either at the discretion of the professors, or as the reward of superior attainments tested by an examination—and by awarding prizes for excellence in particular departments of learning, to stimulate the industry and excite a noble rivalry among the students at the College, and scholars at the two Academies. Societies such as this, and with similar objects, are attached to most of the Institutions of learning in the neighbouring States, while in our own Province, King's College has its Society composed of its Alumni and friends, whose associated efforts have largely contributed to the prosperity of that Institution, and it is hoped that the united operations of the Alumni and friends of Acadia College, will ere long place our Institution on that flourishing basis, so essential to its efficiency and prosperity, and loudly demanded by the growing educational wants of the Province. Those who, have received within its halls the educational training to which, it may be, they are indebted for their success in life, cannot now, for their credit's sake, feel indifferent to the rank this institution is to take amongst similar Seminaries of learning in the Province.

We earnestly solicit your sympathy and co-operation with the work we have in hand, and trust that you will as promptly as possible authorize us to enrol your name either as an Annual or a Life-Member of the Society, and will also furnish us with the names of persons in your locality, eligible for Membership in their own right, who are willing to join,—and of those, you may enlist in our cause, to be balloted for at our next meeting.

You can either address yourself in Halifax, or any other member of the Committee in Wolfville, and your subscription may either be remitted forthwith, or paid in at the meeting to be held in Wolfville, on the 5th of June, ensuing.

On behalf of the Committee.  
**J. W. JOHNSTON, JUNR.,** Chairman.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never before said of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any contrary, all are delighted speak in terms of highest magical effects and medicinal value. We speak in this matter "WHAT WE YEARS' EXPERIENCE, AND HERE DECLARE, IN ALL where the infant is suffering relief will be found minutes after the syrup is administered. This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions which, if not speedily remedied, end in death and the SUREST REMEDY IN ALL CASES OF DYSENTERY AND DREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from colic, or from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES OR OTHER FEARFUL FANCIES, stand between your child and the relief ABSOLUTELY SURE—yes, that will be SURE—yes, to follow the use of this medicine, if timely used.
