Messrs. P. Davis & Son-Dear Sirs: * * * * have had occasion to use your PAIN KILLER very frequently during my residience in Burmah, and have found it a very useful medicine. I did not think I could visit the Jungles without it. In cases of colic, diarrhea and cholera, the Pain Killer gives speedy relief, and for many other ailments I have found it be neficial. It is becoming popular in Burmah, among the natives as well as Europeans. I always carry it with me for my own benefit and the good of the peo-

The Rev. H. K. Van Meter, writing from Bassein, Burmah, says:-"The Karens praise it very highly indeed. I cannot conceive how a single medicine could better meet their peculiar ailments and habits than does your Pain Killer. We are now using it freely in our family and find its excellent qualities confirmed with eacd renewed trial. Please send me 400 bottles by first opportunity." Sold by all medi-
