The advantages offered in this Institution for the acquisition of French are very great, as this language is spoken exclusively by the members of the family. As the chief object of this school is to enable young Ladies to perfect themselves in the use of French, no pains are spared for their thorough and rapid advancement. Competent teachers are also secured for the other branches taught. This school hitherto situated at St Johns, will be removed to Montreal, where it will be open for the reception of pupils on the 4th of May next (D. V.) The superior advantages there offered, together with the additional aid of Rev. N. Cyr, the Editor of Le Semeur Canadien, as Principal, will enable the school to satisfy the most ardent desires of its patrons. A very commodious building, in a pleasant and healthy part of the City, has been secured, which combines the modern improvements such as gas, baths and the conducting of water by pipes into the different stories. The pupils are expected to submit to such rules of discipline as may be deemed necessary for their advancement, and they will please especially remember that English is to be understood. Persons wishing to enter will please address their communications as follows UNTIL THE FIRST OF MAY. Rev. N. CYR, Montreal, Canada East. Mons. C. COMMETTE, St Johns, Canada East. April 18th.

MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, For Children Teething, Which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "WHAT WE DO KNOW" after ten years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES. It not only relieves the child from pain, but invigorates the stomach and gives tone and energy to the whole system. It will almost instantly relieve the BOWELS, AND GRIPING IN THE WIND COLIC, and overcome convulsions which, if not speedily remedied, end in death and SUREST REMEDY IN ALL CASES OF DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES OF OTHERS, interfere with the relief that will be SURE—yes ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Principal Office, No. 13 Cedar St., New York. Price only 25 Cents per Bottle. Sold by Druggists and Merchants everywhere. Aug. 17, 1859. 17.
