GRAMP AND PAIN KILLER.

THE World is as onished at the wonderful cures performed by the CRAMP and PAIN KILLER, prepared by CURTIS & PERKINS. Its equal has never been known for removing pain in all cases; for the cure of Spinal Complaints, Cramp in the Limbs and Stomach, Rheumatism in all its forms. Bilious Colic, Chills and Fever, Burns, Sore Throat, and Gravel, it is decidedly the best remedy in the world, Evidence of the most wonderful cures ever performed by any medicine, are on circulars in the hands of Agents. Aug. 13.

### Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

#### AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, St. ANTHONY'S FIRE, Rose, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DIS-EASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIA-TED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

### Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them Their penetrating properties search, and cleanse, and invigorate every portion of the human organ-ism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his

health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costive-ness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appe-tite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction

# Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Pati ats in advanced stages of the

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publiely known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and pro-duced cures too numerous and too remarkable to be forgotten.
