JOHN COVEY. India Harbor, West, Nov. 27th 1860. Dec. 5.

40 Years JOHNSON'S NERVE ANODOYNE LINIMENT Has stood the test!!!

It has been found by experience to be the best INTERNAL and EXTERNAL remedy ever presented to the public. It has no superior for Coughs, Colds, Asthma, Whooping Cough, Sore Throat, and all diseases of the Lungs. For Cramp and Pain in the Stomach, Bowels or Side. Diarrhoea and Dysentery. As an external application it is decidedly superior to any other Liniment or Pain Killer. For Rheumatism, Neuralgia, and all Rheumatic complaints, for Cuts, Wounds, Sprains and Bruises, Burns and Scalds, Chapped Hands and Chilblains. In all the above complaints it seldom fails to cure.

At all seasons of the year this Liniment is found useful, especially in the autumn, winter and spring, and many colds and coughs, which might prove fatal, are cured by a timely use of this Anodyne Liniment. It should be kept in every family, and thus avoid the dangerous delays occasioned by sending out for medicine or a Physician. And while thus efficacious it is perfectly safe if administered according to directions, for children or adults, either internally or externally.

Hundreds of leading citizens throughout the country have testified to its wonderful virtues, and every one who use it once calls for more. For sale by Morton & Cogswell and all Druggists. Nov. 14. 3 mos.

Factory for sale!

AT HANTSPORT, NOVA SCOTIA!

TO be sold at private sale, that valuable property, known as the

Hantsport Factory!

The building has been erected about four years, is in good condition, 80 feet by 55, with an L in the rear, 30 feet by 24, each being two stories high. Connected is 1 1/2 acres of land. It has a capital

STEAM-ENGINE, of 8 horse power, a spacious

Blacksmith's Shops,

and Machinery complete for the manufacturing of ship's-wheels and blocks; waggons, &c., &c.

This Factory is situated in a very eligible place for business, being near the wharves and principal landing place, and the proposed Railroad-terminus and therefore offers a rare chance for parties wishing to carry on the Blacksmith and Blockmaking business.

One of the principal partners in the concern, who had charge of the blacksmithing department, having died, and another, who has charge of the blockmaking, having been unfortunately disabled from labor, it has become necessary to close the concern, and sell the premises. The terms will therefore be made as easy as possible, and a bargain may be expected.

For further particulars apply to the subscriber. DANIEL W. FAULKNER, Hantsport Nov. 8th 1860. Nov. 14th. 4 ins.

BLACKWOOD'S MAGAZINE

AND THE

British Reviews.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

1. The London Quarterly (Conservative)

2. The Edinburgh Review (Whig)

3. The North British Review (Free Church).

4. The Westminster Review (Liberal).

5. Blackwood's Edinburgh Magazine (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

EARLY COPIES.

The receipt of Advance Sheets from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.
