AYER'S Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints, Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Itch, and all Skin Diseases.

J. C. Ayer & Co., Lowell, Mass., June 1853. I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous Taint, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my face and arms, sometimes it turned inward and distressed me at the stomach. Two years ago I took a course of your Sarsaparilla and my scalp and face were cured. I took a second course and my bowels were regular. I took a third course and my skin was clear. I took a fourth course and my hair grew again. I took a fifth course and my eyes were cured. I took a sixth course and my throat was cured. I took a seventh course and my lungs were cured. I took an eighth course and my stomach was cured. I took a ninth course and my nerves were cured. I took a tenth course and my blood was purified. I took an eleventh course and my skin was clear. I took a twelfth course and my hair grew again. I took a thirteenth course and my eyes were cured. I took a fourteenth course and my throat was cured. I took a fifteenth course and my lungs were cured. I took a sixteenth course and my stomach was cured. I took a seventeenth course and my nerves were cured. I took an eighteenth course and my blood was purified. I took a nineteenth course and my skin was clear. I took a twentieth course and my hair grew again.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Radium, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert J. Noble writes from Salem, N. Y., 12th Sept. 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla and also a sanguineous Malignant Eye, which was cured by the same.

Bronchocoele, Gout or Swelled Neck. Solution Simon J. I respect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gout—a hideous swelling on the neck, which I had endured from over two years."

Leworrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. E. S. Channing, of New York City writes: "I most cheerfully comply with the request of your agent in giving I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in the Female Disorders of the Scrofulous diathesis. I have cured many inveterate cases of Gonorrhoea by it, and some where the complaint was caused by absorption of the virus. The ulceration was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Martin, of New Jersey, writes: "A dangerous ovarian tumor, one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks the tumor was removed. It was a truly remarkable result, and I have not surprised me."

Syphilis and Mercurial Disease.

Dr. J. C. Ayer, Jr., writes: "I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla."

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Gonorrhoea and Mercurial Disease. One of my patients had Syphilis ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in two weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pains in her joints and bones. She, too, was cured entirely by your Sarsaparilla, in a few weeks. I hope from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. BARBER, M. D.

Rheumatism, Gout, Liver Complaint.

Dr. J. C. Ayer, Jr., writes: "I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am better than before I was attacked. I think it a wonderful medicine. J. FREEMAN."

Julius Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved partner, the Rev. Mr. Kay, advised me to try your Sarsaparilla, because he said he knew you and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schlerous Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents before named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Metastachy, Neuralgia.

Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass anything for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the successful facility of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it is the best and the most efficacious that did have when making the cures which have won so strongly upon the confidence of mankind.
