THE NEW-YORK TRIBUNE.
 Now is the time to Subscribe.
 THE TRIBUNE—now more than eighteen years old, and having over a quarter of a million subscribers, or constant purchasers, diffused through every State and Territory of our Union—will continue in essence what it has been—the earnest champion of Liberty, Progress, and of whatever will conduce to our national growth in Virtue, Industry, Knowledge, and Prosperity.
 THE NEW-YORK DAILY TRIBUNE is printed on a large imperial sheet, and published every morning and evening (Sundays excepted). It contains Editorials on the topics of the times, employing a large corps of the best newspaper writers of the day; Domestic and Foreign Correspondence; Proceedings of Congress; Reports of Lectures; City News; Cattle, Horse, and Produce Markets; Reviews of Books; Literary Intelligence; Paper on Mechanics and the Arts, Cookery, &c., &c. We strive to make THE TRIBUNE a newspaper to meet the wants of the public—its Telegraphic news alone costing over \$15,000 per annum.
 TERMS—We prepaying U. S. postage:
 THE DAILY TRIBUNE is mailed to subscribers at \$7 per annum, in advance; \$3 for six months.
 THE NEW-YORK SEMI WEEKLY TRIBUNE is published every TUESDAY and FRIDAY, and contains all the Editorials of the Daily, with the Cattle, Horse, and General Markets, reliably reported expressly for THE TRIBUNE. Notices of New Inventions, Foreign and Domestic Correspondence, Articles on Cookery; and during the sessions of Congress it contains a summary of Congressional doings, with the more important speeches. We shall, as heretofore, make THE SEMI-WEEKLY TRIBUNE a Literary, as well as a political newspaper, and we are determined that it shall remain in the front rank of family papers.
 TERMS—We prepaying U. S. Postage:
 One Copy, one year \$3 00
 Two Copies, one year 5 50
 Five Copies, one year 13 00
 Ten do. to one address 25 00
 Any persons sending us a club of twenty, or over, will be entitled to an extra copy. For a club of forty we will send The Daily Tribune one year.
 THE NEW-YORK WEEKLY TRIBUNE is a large eight-page paper for the country, is published every Saturday, and contains Editorials on the important topics of the times, the news of the week, interesting correspondence from all parts of the world, the New-York Cattle, Horse, and Produce Markets, interesting and reliable Political, Mechanical, and Agricultural articles, Papers on Cookery, &c., &c.
 We shall during this year, as hitherto, constantly labor to improve the quality of the instructive entertainment afforded by THE WEEKLY TRIBUNE, which, we intend, shall continue to be the best Family Weekly Newspaper published in the World. We consider the Cattle Market Reports alone richly worthy to cattle raisers a year's subscriptions price.
 TERMS—We prepaying U. S. postage:
 One Copy, one year \$2
 Three Copies, one year 5
 Five Copies, one year 8
 Ten Copies, one year 13
 Twenty Copies, to one address 25
 Twenty Copies, to address of each subscriber 29
 Any person sending us a club of Twenty, or more, will be entitled to an extra copy. For a Club of Forty, we will send THE SEMI-WEEKLY TRIBUNE; and for a club of One Hundred THE DAILY TRIBUNE will be sent gratis.
 Subscriptions may commence at any time. Terms always cash in advance. All letters to be addressed to **MORACE ORRELLY & Co.** Tribune Buildings, Nassau-st., New-York.
 Feb., 1st. 6wks.

CRAMP AND PAIN KILLER.
 THE World is astonished at the wonderful cures performed by the **CRAMP and PAIN KILLER**, prepared by **CURTIS & PERKINS**. Its equal has never been known for removing pain in all cases; for the cure of Spinal Complaints, Cramp in the Limbs and Stomach, Rheumatism in all its forms, Bilious Colic, Chills and Fever, Burns, Sore Throat, and Gravel, it is decidedly the best remedy in the world. Evidence of the most wonderful cures ever performed by any medicine, are on circulars in the hands of Agents.
 Aug. 31. tf.

Scrofula, or King's Evil,
 is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."
 Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.
 One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alternative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,
 the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,
 FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.
 Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,
 FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.
 So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
