

B. O. & G. C. WILSON'S CELEBRATED FAMILY MEDICINES.

THE Trade are informed that the above FAMILY MEDICINES can be procured, at Boston prices, on application to WILLIAM ACKHURST, Agent for Nova Scotia. Halifax, N. S., Aug. 31st, 1859.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it.

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it.

AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSICIAN,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use.

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS. MORTON & COGSWELL, AGENTS, HALIFAX, N. S.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,

For Children Teething,

Which greatly facilitates the process of teething, by softening the gums, reducing all inflammation--will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine--NEVER HAS IT FAILED, IN A SINGLE INSTANCE.

When timely used, NEVER TO EFFECT A CURE, did we know an instance one who used it. On the contrary, all are delighted with its operations, any speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "WHAT WE DO KNOW" after ten years' experience, and FLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcome convulsions which, if not speedily remedied, end in death.

WE BELIEVE IT THE BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething, or from any other cause. We would have a child suffering from these ailments--DO NOT LET YOUR PREJUDICES OF OTHERS stand between your suffering child and the relief that will be SURE--YES ABSOLUTELY SURE--to follow the use of this medicine, if timely used. Full directions for using the same, are on each wrapper.

None genuine unless the fac simile of CURTIS & PERKINS, New York, is on the outside wrapper.
