### JUDSON'S Mountain Herb Pills.

Amove, we present you with a perfect likeness of Tezuce; a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of bim and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Moun tain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

#### IMPURE BLOOD:

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every ergan of the body. Every nerve feels the poison. and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled

#### GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches and bring the rich color of health to the pale cheek.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Texucans, a tribe of Aborigines in Mexico. Get the Almanae of our Agent, and you will read with delight, the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.

Observe,—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature q B. L. JUDSON & CO., on each box.
