

Our own mail, which will bring European dates up to the 20th inst, will doubtless furnish important news from Italy. It was reported that the Pope had resolved on quitting Rome. Should such be his determination, it is most probable that Spain would be the place of his refuge.

The latest accounts from American papers lead to the conclusion that the Republican party will carry the Presidential election. Some of the most important States, as Pennsylvania, and Ohio have carried their tickets by large majorities. A few days must now decide the contest.

Read the following from the well know Captain of the Steamer Fulton:

NEW ORLEANS, 3rd Oct., 1859. DR. J. C. AYER, Lowell.— Sir: I am urged by my wife to report to you a cure your Sarsaparilla has made in our family, and as it is the only way in which we can make you any acknowledgement of our gratification, I will proceed to state. My little son eleven years old, has had Scrofula sores on his ears neck and arms for five years. They were much of the time very distressing, and we feared they would kill him.

Very truly, your humble servant, Jno. W. BATES. Prepared by DR. J. C. AYER & CO., Lowell, Mass. MORTON & COGSWELL, Agents, 6m.
