Ayer's Cathartic Pills. Are now so well known, it is hardly necessary to recount their virtues. The reputation they have acquired in these provinces is but an example of that which they have now for themselves in almost every section of the Old as well as the New World. Highly complimentary letters have been received from Emperors, Kings, and high official dignitaries Statesmen, Physicians and Clergymen in every land, who have been benefited by their use. These Pills though not cure all, may be justly termed an Universal Medicine. High and low, rich and poor in every section of the world acknowledge their virtues. Purely vegetable in their composition it is believed that they are the best purgative that can be made.
