

B. O. & G. C. WILSON'S CELEBRATED FAMILY MEDICINES.

THE Trade are informed that the above FAMILY MEDICINES can be procured, at Boston prices, on application to WILLIAM ACKHURST, Agent for Nova Scotia. Halifax, N. S., Aug. 31st, 1859.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection.

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Constipation, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, For Children Teething,

Which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, any speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "WHAT WE KNOW," after ten years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In all the most every instance where the infant is suffering from pain and exhaustion relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions which, if not speedily remedied, end in death. WE BELIEVE IT THE BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Principal Office, No. 13 Cedar St., New York. Price only 25 Cents per Bottle. Sold by Druggists and Merchants everywhere. Aug. 17, 1859.
