Cures Liver Complaints and Costiveness, Cures Humors of every kind, restores lost Appetite, Cures Bilious Affections and Purifies the Blood, Cures Dyspepsia and promotes Digestion, Cures Neuralgia and Nervous Debility,

Cures Dysentery and Diarrhæa, Cures Headache, STONE'S LIQUID CATHARTIC

May be relied upon in all the above complaints .- It is pronounced by all who use it to be decidedly the best Family Medicine ever offered to the public; it is not intended to be used simply as a physic, but is designed as a complete remedy in those cases for which it is recommended, and will be found as such. The reader is requested not to expect too much from its use in too short a time, but give it a fair trial, and then speak of it as you find it.

Most persons requiring a cathartic, labor under the erroneous impression that its action should be speedy and powerful: this is altogether a mistake. The bowels should be moved slowly and gently, giving the medicine time to cleanse the stomach and act upon the whole system. Rest assured that this remedy is suffiatly powerful and active for all the purposes of a ally physic.
