JUDSON'S Mountain Herb Pills.

Amore, we present you with a perfect likeness of Texace, a chief of a tribe of the strange Aztec Nation. that once ruled Mexico. You will find a full recount of him and his people in our Pamphlets and Almanacs-to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Moun tain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the ladians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PHLS" were discovered. A very interesting account of his adventures there, you will find in our Aimanac and l'amphiet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every argan of the body. Every nerve feels the poison. and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter, bence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny invulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all tise secretions of the body; they are, therefore, unrivalled

isver Complaint, Sick Headache, &c. This Anti-Bitious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and duent, clearing and resuscitating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOUNTAIN HERE Parts." that will pass directly to the afflicted parts. through the blood and fluids of the body, and cause the safferer to brighten with the flush of beauty and

Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints Scrofula and Scrofulous Affections, such Pimples, Pustules, Blotches, Boils. Blains, and all Skin Diseases.

OAKLAND, and., 6th June, 1859, J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your sursaparilla has done for me, llaving inherited a Scrofulous imection. I have suffered from it in various ways for years. Sometimes it burs out in theers on my hands and urms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejuiced to read in the Gospel Messenger that you had prepared an alterative (Sarsapariila), f r l knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab which after a while fell off. My skin is now cleffer, and I know by my feelings that the discuse has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the agand remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas. Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Proble writes from Salem . Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goltre or Swelled Neck. Zebulon Sloan of Prespect, Texas, writes : "Three but tles of your Sarsaparilla cured me from r Get re - a hidcons swelling on the neck, which I had suffered from

Leucorrhea or Whites, Ovarlan Tumor,

Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; " 1 most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Penale Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoa by it, and some where the complaint was caused by ulceratum of the iderus. The niverion itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, " A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ; has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859. DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects

have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercuriot Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sprsaparilia; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your inhoratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va.: eth July, 1869. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic, Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sursaparilla. One bottle cured me in two weeks and restored my general health so much that I am far better than before I was

attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor the Kev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God at has cured me, and has so parified my blood as to make a new man of me I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in your American Almanac, which the agents below named are pleased, to furnish gratis to all who call for them

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Conof Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any ther for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds. and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Yew are the communities, or even families, among them who have not some personal experience of its effects—
some living trophy in their midst of its victory over the
subtle and dangerous disorders of the throat and lungs.

As all know the dreadful fatality of these disorders, and
as they know, too, the effects of this remedy; we need not
do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
