JUDSON'S Mountain Herb Pills.

Amorg, we present you with a perfect likeness of Transes, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full . zcount of him and his people in our Pamphlets and Almanacs-to be had gratis, from the Agents for these Pills. The inventor and manufacturer of "Judson's Moun-

tain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that "MOUNTAIN HERE PILLS" were discovered. A very the interesting account of his adventures there, you will find a our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life ! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every argan of the body. Every nerve feels the poison. and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter, hence, a cough-and all from a slight impurity at the fountain head of life-the Blood! As if you had thrown seme earth, for instance, in a pure spring, from which ran a tiny revulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled

URE FOR BILIOUS DISEASES,

inver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach: a medicine like the "MOUNTAIN HERE Parts," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Aimanae of our Agent, and you will read with delight, the very intervating account it contains of the "GREAT MEDICINE" of the Aztecs.

DEAR BRO. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa.; May 1, 1855. DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Billous Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pur-pose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my prac-tice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is wor-thy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Sin : I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regu-hating action on the tiver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., 1%ysician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bittous dysentery and diarrhous. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Liev. J. V. Himes, Pustor of Advent Church, Boston. DE. ATER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to Yours, J. V. HIMES. my friends.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR : I am using your Cathartie Fills in my practice, and find thom an excement purgative to cleanse the system and purify the foundains of the blood. JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costirences. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secre-tion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIE: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excru-ciating neuralgic pains, which ended in chronic rheama-tism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. Sept. SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855. DR. AYEE : I have been entirely cured, by your Pills, of theumatic Gout - a painful disease that had afflicted me or years. VINCENT SLIDELL. for years. Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful conse-quences that frequently follow its incautious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & CO., Lowell, Mass.
