AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis, and cleanse out the disordered hu-mors — purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make

A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the balv, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the

principal cities, and from other well known public per-From a Forwarding Merchant of St. Louis, Peb. 4, 1856.

Dr. Aven: Your Pills are the paragon of all that is great in medicine. They have cared my little daughter of alcerons sores upon her hands and feet that had proved incurable for years. Her mother has been long grievonsty afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your litts, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. F. W. Curtwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bovels, which makes them invaluable to us in the daily

Headache, SickHeadache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

DESK BRO. AYER: I cannot answer you what complaints I have cared with your Pills better than to say all that we dence on an effectual cathartic in my daily contest with discuse, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855. Dr. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. Finner, Clerk of Steamer Claria.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York Cty.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is wortay the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. Six: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their reguiating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of belows disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea. Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilions dysentery and diarrhoa. Their sugar-ceating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Lev. J. V. Himes, Puster of Advent Churc's, Boston.

DR. AYER: I have used your Pills with extraordinary enccess in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR Sec : I am using your Cathartic Pilis in my practice, and find them an excellent purgative to cleanse the system and purify the fundains of the blood. JOHN G. MEACHAM, M. D.

Constipution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreel, Conuda. Too much cannot be said of your Pills for the cure of costiceness. If others of our fraternity have found them as efficacious as I have, they should join me in preclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease

From Mrs. E. Suart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the vatural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

Pelaski House, Savannah, Ga., Jan. 6, 1856, Honored Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheuma-tism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge; La., 5 Dec. 1855. Dr. Ayer: I have been entirely cured, by your Pills, of Rheumatic Gout - a painful disease that had afflicted me VINCENT SLIDELL.

which, although a valuable remedy in skilful hands is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Mountain Herb Pills.

AROYK, we present you with a perfect likeness of Texason, a chief of a tribe of the strange Aztec Nation. that once ruled Mexico. You will find a full secont of him and his people in our l'amphlets and Almanacs-to be had gratis, from the Agents for these l'ills.

The inventor and manufacturer of "Judson's Moun tain Herb l'ills." has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that MOUNTAIN HERB PHIS" were discovered. A very interesting account of his adventures there, you will find a our Almanae and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD:

The blood is the life! and when any foreign or unhealth; matter gets mixed with it, it is at once distributed to every ergan of the body. Every nerve feels the poison. and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungbecome clogged with the poisonous matter, hence, a congle-and all from a slight impurity at the fountain head of life-the Blood! As if you had thrown some earth, for instance, in a pure spring, from which rau a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood by to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all

the secretions of the body; they are, therefore, unrivalled

URE FOR BILIOUS DISEASES, laver Complaint, Sick Headache, &c. This Anti Bilions
