VALUABLE Question Books.

SABBATH SCHOOL STUDIES ON THE LIFE OF CHRIST, First and Second Grade, by Rev. W. S. McKenzie. Price 10 Cents each.

The object of the Author in preparing these Books was to have a book where his whole Sabbath School could have the same subject before them. He therefore prepared two sets of Questions, one for the smaller portion of the School, and one for the older. After using them in his own School and proving them a perfect success, he corrected them, and now they are presented to the public.

The subject is also continued in a second volume making a complete History of Christ. The Watchman and Reflector says, in announcing the work:

"The books are original in their theme and design; their subject being the Biography of Christ, presented in an attractive, connected chronological history. The design is to have the same subject studied by the whole School at the same time. Hence, there are two books, of the first and second grade, containing the same number of lessons. Each lesson in each book is on precisely the same portion of scripture; so that scholars in the primary department are going over the same ground as the advanced classes. There are evident advantages in having the whole School studying the same topic and portion of scripture.

"With this, teacher's meetings will offer inducements for the attendance of all the teachers; and when the Superintendent questions the School on the lesson, the youngest as well as the oldest feels an interest in the exercise; and also, when at home the lesson is studied, the young as well as the old in the family will be upon the same theme. The conception of the author is a happy one, and his design carried out must be highly acceptable."

From Prof. H. B. Hackett, of Newton Institution.—I have examined some of the pages of Rev. Mr. McKenzie's Question Books on the Life of the Saviour. I regard the plan of the work (which differs quite materially from that of any similar work) as excellent, the questions as eminently judicious and well suited to interest and instruct the learner. It cannot fail to prove a welcome and useful auxiliary to the cause of Sabbath School instruction.

I have also lately issued the COMPREHENSIVE QUESTION BOOK, on Prominent Biblical events, from the Creation to the End of the World, by Rev. J. Bannard, author of the Topical Question Book, Infant Series, &c.—Price 10 Cents.

JAYNE'S ALTERNATIVE.

IT is an established fact that a very large class of diseases can only be cured by such medicines as will enter into the blood, and circulate with it through every portion of the body; for only by this means can the remedy be brought into immediate contact with the disease. To obtain this desirable end, no preparation has ever been so uniformly successful as DR. D. JAYNE'S ALTERNATIVE.

SCROFULA, SKIN DISEASES, CANCER, ERYSIPELAS, GOUTE, RHEUMATISM, DROPSY, EPILEPSY, &c. CANCEROUS TUMORS, WHITE SWELLINGS, GOUT, LIVER COMPLAINT, DYSPEPSIA, ULCERS, SCALD HEAD, &c. &c. Have been effectually cured by this ALTERNATIVE. It is, besides, one of the most pleasant articles that can be taken into the stomach, operating as a tonic, and removing Dyspeptic and Nervous affections. It may be had of Agents throughout the country.

Mr. C. P. HAYFORD, of Mount Pisgah, Ohio, writes: "Your Alternative has recently been most thoroughly tried in this place. The son of Mr. Richard Sarver has been afflicted with Scrofulous Affection for seven years. The ravages of this dreadful disease had been such that the boy's face was, at times, ONE ENTIRE SORE. Notwithstanding he was under the care of the best physicians, he seemed to get worse and worse, when his father, being advised to give Jayne's Alternative a trial, he consented to do so—When his son had finished the first bottle an improvement was perceptible, and four bottles effected what seemed to be a permanent cure. The sores have all disappeared, and no one not acquainted with the circumstances would suppose, upon looking into the healthy, happy face of Master Sarver, that he had ever known sickness of any kind."

Mr. A. CARLTON, of Mount Parthenon, Newton county, Ark., writes—"I have been cured by the use of Jayne's Alternative and Sanative Pills, of a Scrofulous Affection, which showed itself in the gums and cheek, and appeared to threaten fatal results"

Mrs. P. L. BOUTON, of Altona Louisiana county, Iowa, writes—"I was suffering two years with a Cancer on my breast. The different physicians to whom I had applied advised me to submit to a surgical operation, which I could not summon fortitude enough to undergo. I used four bottles of your Alternative, which cured me."

Rev. J. B. LAKE, of Le Roy, Pa., writes—"For five winters in succession I was seriously afflicted with rheumatism in one of my knees. It generally became badly swollen, and the chords greatly contracted. After the swelling subsided, my knee was uniformly so weak that for a number of weeks I was compelled to occupy a sitting posture in preaching. To try you. Alternative I used some eight bottles, and since that time I have not had a single rheumatic attack. My health in other respects has been much improved. I mention this for the benefit of those who may be alike afflicted."

Mr. SAMUEL WOLF, of Lanesville, Harrison county, Md., writes—"I had five very severe attacks of EPILEPTIC FITS within two years, and when every remedy and every kind of treatment had completely failed to cure me, I then decided to use your ALTERNATIVE. I took eighteen bottles of it, and one dozen of the SANATIVE PILLS, and for one year I have been entirely free from any attacks."

CATHARINE SHEELER, of Sheshequin, Bradford county, Pa., writes—"For more than twenty years I have been afflicted with Goitre or Swelled Neck, and it had increased so much that I was in danger of suffocation. The disease baffled the skill of physicians, and about a year ago I was induced to try your Alternative. In one week the circumference of my neck was reduced three inches. I continued its use for about six months, when I considered myself cured. I have no hesitation in saying that my life has been saved by the use of your medicines."

Mr. LANSLOTT HALL, of Goochland county, Va., writes—"My wife has been, for a considerable length of time, suffering with Neuralgia and Dyspepsia, and is under the impression that she could not live without your invaluable Alternative and Sanative Pills, from the use of which she derives much benefit."

This ALTERNATIVE and all of JAYNE'S FAMILY MEDICINES are sold by BROWN, BROS. & CO. Ordnance Square, Halifax, and by Agents throughout the country. Sept. 25.

CHILDREN TEETHING

MRS. WINSLOW. An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW" after ten years experience. AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

Thousands of Cases. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowels, and Wind Colic and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHOEA IN CHILDREN, whether it arise from teething, or from any other cause.—We would say to every mother who has a child suffering from any of the foregoing complaints—Do not let your prejudice, nor the prejudices of others, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac simile of CURTIS & PERKINS, New-York, is on the outside wrapper.
