THE AMERICAN WAR.—CURIOUS COINCI-DENCE.—On Sunday last there was a strange concidence—the First Lesson in the morning prvice, according to the arrangement of the American Prayer-book, was from the third chapter of Joel, beginning at the ninth verse. The first words of it were- " Prepare for war." All over the land, therefore, such were the stirring words uttered in churches, while all the air was filled with the clang of arms .- Guardian Philadelphia C rrespondent.

A SLIGHT MISTAKE.—Launches are of such frequent occurrence now-a-days that much of the pomp and circumstance, and, we may add, expense, has been properly done away with. Cannon no longer announce the event, important ceremony of naming is sometimes dispensed with, and when it does take place the gliding vessel is often christened, not with libations of ruby port, but a villainous compound of redand black ink, which, as it streams down the stem, has all the appearance of the more generous liquid. A few days ago, at the launch of vessel in one of the local yards, the namer of the ship missed his aim, and the bottle was left dangling to one of the shores, with which the lanyard got entangled. Two of the workmen instantly seized it, and retiring below the bottom Hemp and Stair Carpetings and of the craft on the stocks, knocked the neck off, and took a hearty swig of the contents, expecting a bonne boucke. Their consternation and the inward pangs which followed their potations may be imagined but can never be described .-Greenock Advertiser.

Have you a Cough?

THEN use JAYNE'S EXPECTORANT. It gives immediate relief.

HAVE YOU ASTHMA OR PHTHISIS? Then use JAYNE'S EXPECTORANT, which will overcome the spasmodic contraction of the wind tube , and cause them to ej ct the mucus or matter which

clogs them up, and by an easy and free expectorant,

remove all difficult of breathing. HAVE YOU WHOOPING COUGH? Then use JAYNE'S EXPECTORANT,' the best remedy in the world, as it shortens the disease more than

one-half, and carries the patient safely through it. HAVE YOU CROUP OR HIVE? Then use JAYNE'S EXPECTOR ANT freely, according to directions, and you will cure this disease in a

few minutes. And finally. Have you Bronchitis Consumption, Chronic Pleurisy, Spitting of Blood, or any

other Pulmonary Affection ? Then use JAYNE'S EXPECTORANT. It is a remedy for the above diseases which cannot be equalled,

as the evidence of thousands, who have been cured by it, will testify.

Here is a portion of the testimony: Fredericka Brookfell, No. 641 Fisher street, below Seventh, Philada., writes:-

" For more than two years I was afflicted with CON-SUMPTION, and during this time, owing to a constant cough and the sharp pain and difficult of breaking which accompanied it, I obtained but little rest. Having tried in vain many different remedies, I began to lose all hope, when a neighbor, whose husband has been cured of a similar complainnt by JAYNE'S EX-PESTORANT, persuaded me to give it a trial. After taking several bottles, large quantities of corruption were thrown from me, and I then began to mend gradually, until now my health is perfectly restored."

REV. EUGENE KINCAID, Missionary in Burmah,

"About three weeks since, a Burman female of rank called on us, who had been suffering wi h ASTH-MA for eight years, and who was trequently unable to sleep, except in a sitting posture. Feeling satisfied that no medicine could restore her to health, we, (i. e., Bibles bound in embossed roan, with gilt edges, 1 101 Dr. Dawson and Mr. Kineaid.) thought only of aff rding her temporary relief, and gave her a bottle of JAYNE'S EXPECTORANT. One week after, her husband informed us that for the first time in many years she had slept soundly, and in one month she was entirely restored.

Mr. J. P. SMITH, of Stockton, Owen county, Ind.,

" My wife has been severely afflicted for three years with BRONCHITIS, and having heard of Dr. D. Jayne's Expectorant, I purchased one bottle of it and one box of Sanative Pills, and I am now happy to inform you her cough was immediately suppressed, and in one month a complete cure effected.

Mr. J. E. HILDRETH, of Ozark, Jackson county, lowa, writes:-

"My family baving used Dr. JAYNE'S EXPECTO-RANT for a number of years, I can safely say it gives the quickest relief of any medicine I ever tried for COUGHS and COLD and SHORTNESS OF BREATH, and I can, therefore, conscientiously recommend it to the public."

REV. RUFUS BABCOCK, D. D., former y President of Waterville College, Maine, writes:

"For more than a dozen years I have recommend DR. D. JAYNE'S FAMILY MEDICINES, and especially the EXPECTORALT. I know that these medicine are highly esteemed and frequently prescribed by some of the most respectable of the regular practici-oners of medicine; and I do not hesitate to commend then as a valuable addition to our metaria medica, and a safe as well as eminently beneficial remedy for the diseased."

MAURICE SCHWARZ, of Concord, Wis., says: "When the WHOOPING COUGH prevailed to some extent at our place, the disease seemed to baffle ovr physicians. In various cases the EXPECTORANT was used, and it did not fail to cure.

Mr. C. T. PORTER, Superintendant, of Akron,

(Ohio) Schools says:

"Being troubled with a severe, dry cough, very troublesome at night, and the usual remedies failing to relieve me, I was induced to try JAYNE'S EXPECTORANT. After taking it for three days, my cough was cured.

This Expectorant and all of Jayne's Family Medicines are sold by BROWN, BROTHERS & CO., Ordinance Square, Halifax, and by Agents throughout the May 29.
