PINE GROVE FEMALE SEMINARY!

A SCHOOL for the education of Young Ladies will be opened at "PINE GROVE" MIDDLETON on Monday the 5th of August next, which will be conducted by experienced and competent Teachers.

For further particulars apply to the proprietor CHAS. H. CHESLEY. Middleton, July 5th 1861.

JAYNE'S ALTERNATIVE.

IT is an established fact that a very large class of diseases can only be cured by such medicines as will enter into the blood, and circulate with it through every portion of the body; for only by this means can the remedy be brought into immediate contact with the disease.

SCROFULA, SKIN DISEASES, CANCER, ERYSIPELAS, GOITRE, RHEUMATISM, DROPSY, EPILEPSY, &c.

CANCEROUS TUMORS, WHITE SWELLINGS, GOUT, LIVER COMPLAINT, DYSPPEPSIA, ULCERS, SCALD HEAD, &c. &c.

Have been effectually cured by this ALTERNATIVE. It is, besides, one of the most pleasant articles that can be taken into the stomach, operating as a tonic, and removing Dyspeptic and Nervous affections. It may be had of Agents throughout the country.

Mr. C. P. HAYFORD, of Mount Pisgah, Ohio, writes: "Your Alternative has recently been most thoroughly tried in this place. The son of Mr. Richard Sarver has been afflicted with Scrofulous Affection for seven years. The ravages of this dreadful disease had been such that the boy's face was, at times, ONE ENTIRE SORE. Notwithstanding he was under the care of the best physicians, he seemed to get worse and worse, when his father, being advised to give Jayne's Alternative a trial, he consented to do so. When his son had finished the first bottle an improvement was perceptible, and four bottles effected what seems to be a permanent cure. The sores have all disappeared, and no one not acquainted with the circumstances would suppose, upon looking into the healthy, happy face of Master Sarver, that he had ever known sickness of any kind."

Mr. A. CARLTON, of Mount Parthenon, Newton county, Ark., writes: "I have been cured by the use of Jayne's Alternative and Sensitive Pills, of a Scrofulous Affection, which showed itself in the gums and cheek, and appeared to threaten fatal results."

Mrs. P. L. BOUTON, of Altona Louisiana county, Iowa, writes: "I was suffering two years with a Cancer on my breast. The different physicians to whom I had applied advised me to submit to a surgical operation, which I could not summon fortitude enough to undergo. I used four bottles of your Alternative, which cured me."

Rev. J. B. LAKE, of Le Roy, Pa., writes: "For five winters in succession I was seriously afflicted with rheumatism in one of my knees. It generally became badly swollen, and the chords greatly contracted. After the swelling subsided, my knee was uniformly so weak that for a number of weeks I was compelled to occupy a sitting posture in preaching. To try your Alternative I used some eight bottles, and since that time I have not had a single rheumatic attack. My health in other respects has been much improved. I mention this for the benefit of those who may be alike afflicted."

Mr. SAMUEL WOLF, of Lanesville, Harrison county, Md., writes: "I had five very severe attacks of EPILEPTIC FITS within two years, and when every remedy and every kind of treatment had completely failed to cure me, I then decided to use your ALTERNATIVE. I took eighteen bottles of it, and one dozen of the SENSITIVE PILLS, and for one year I have been entirely free from any attacks."

CATHARINE SHEELER, of Shehequin, Bradford county, Pa., writes: "For more than twenty years I have been afflicted with Goitre or Swelled Neck, and it had increased so much that I was in danger of suffocation. The disease baffled the skill of physicians, and about a year ago I was induced to try your Alternative. In one week the circumference of my neck was reduced three inches. I continued its use for about six months, when I considered myself cured. I have no hesitation in saying that my life has been saved by the use of your medicines."

Mr. LANSLOTT HALL, of Goochland county, Va., writes: "My wife has been, for a considerable length of time, suffering with Neuralgia and Dyspepsia, and is under the impression that she could not live without your invaluable Alternative and Sensitive Pills, from the use of which she derives much benefit."

This ALTERNATIVE and all of JAYNE'S FAMILY MEDICINES are sold by BROWN, BROS. & CO. Ordinance Square, Halifax, and by Agents throughout the country. Sept. 25.

W. L. EVANS, AUCTIONEER, Commission Merchant, and Merchandize Broker, Corner of Jacob and Water Street. HALIFAX, N. S.

The work will be offered at a greatly reduced price from any before offered in this Market. And every book sold by the Agents will be guaranteed equal to the sample shown, or will be exchanged by me in Windsor. Address, W. J. HOLLAND, Windsor, N. S. Sept. 11th 1861. 4 ins.

BOOKS FOR BAPTIST SABBATH SCHOOLS. ANDREW F. GRAVES, 24 Cornhill, Boston, Mass., has a large variety of THEOLOGICAL AND SABBATH SCHOOL BOOKS.

which are adapted for clergymen and Baptist Sabbath Schools, including the publications of the American Baptist Publication Society, American S. S. Union, Gould & Lincoln, Sheldon & Co., Henry Hoyt, Mass. Sabbath School Society, American Tract Society, New York Tract Society, Methodist Book Concern, Robert Carter & Bro., and other publishing Societies and booksellers. These Books coming from doubtful sources are all examined, and none recommended which are not adapted to BAPTIST SABBATH SCHOOLS. Having been engaged for many years in selecting libraries for Sabbath Schools, I am confident I can give good satisfaction. All orders will be thankfully received, and such a selection of books sent as is deemed best, giving the purchaser the privilege of exchanging any not desired. Bundles can be sent by any packet or steamer from Boston. Question Books, Reward Cards, Music Books, &c., &c., of every kind constantly on hand. Pastors, Superintendents, and Teachers are specially invited to send their orders direct to me, as I will save them much trouble in selecting from several places. Catalogues forwarded if desired.

VALUABLE Question Books. SABBATH SCHOOL STUDIES ON THE LIFE OF CHRIST, First and Second Grade, by Rev. W. S. McKenzie. Price 10 Cents each. The object of the Author in preparing these Books was to have a book where his whole Sabbath School could have the same subject before them. He therefore prepared two sets of Questions, one for the smaller portion of the School, and one for the older. After using them in his own School and proving them a perfect success, he corrected them, and now they are presented to the public. The subject is also continued in a second volume making a complete History of Christ. The Watchman and Reflector says, in announcing the work: "The books are original in their theme and design; their subject being the Biography of Christ, presented in an attractive, connected chronological history. The design is to have the same subject studied by the whole School at the same time. Hence, there are two books, of the first and second grade containing the same number of lessons. Each lesson in each book is on precisely the same portion of scripture; so that scholars in the primary department are going over the same ground as the advanced classes. There are evident advantages in having the whole School studying the same topic and portion of scripture. With this, teacher's meetings will offer inducements for the attendance of all the teachers; and when the Superintendent questions the School on the lesson, the youngest as well as the oldest feels an interest in the exercise; and also, when at home the lesson is studied, the young as well as the old in the family will be upon the same theme. The conception of the author is a happy one, and his design carried out to most highly acceptable."

From Prof. H. B. Hackett, of Newton Institution. "I have examined some of the pages of Rev. Mr. McKenzie's Question Books on the Life of the Saviour. I regard the plan of the work (which differs quite materially from that of any similar work) as excellent, the questions as eminently judicious and well suited to interest and instruct the learner. It cannot fail to prove a welcome and useful auxiliary to the cause of Sabbath School instruction."

I have also lately issued the COMPREHENSIVE QUESTION BOOK, on Prominent Biblical events, from the Creation to the End of the World, by Rev. J. Banvard, author of the Topical Question Book, Infant Series, &c.—Price 10 Cents.

The Sabbath School Gems, By Rev. J. M. GRAVES. Price in paper cover, \$1.00 per dozen; cloth, \$1.75. This book contains more than 200 hymns with appropriate music on the same page. The selection of hymns is believed the best ever before published for children. It contains many of the most popular tunes. Several thousand copies have been sold within a short time. Sample copies of the above sent free of expense, at the above price.

ANDREW F. GRAVES, 24 Cornhill, Boston, Mass. Agent for the Christian Review, and Young Reeper, the only Baptist Child's Paper, published in the United States. Aug. 14. 3 mths.

LEECHES! LEECHES! SUPERIOR LARGE LEECHES just received and for sale by BROWN, BROS. & CO. Ordinance Square. Oct. 1.

AYER'S Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Boilings, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Lowell, Mass. Oct. 1. I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and troublesome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejected to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now, and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Proba writes from Salem, N. Y. 12th Decr. 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a horrible swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Clanning, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea by it, in many where the complaint itself was caused by ulceration of the uterus. The ulcer equalled in its nature the female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort, before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Diseases. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But I yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.

Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREEM.

Julius Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Kopy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral.

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Whooping Cough, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind. Prepared by Dr. J. C. AYER & CO., Lowell, Mass. The Trade supplied by MORRIS & COSSWICK, corner Chesapeake and Hollis Street, Halifax, N. S.
