NEW KIND OF TEETH.

COMPLETE DENTAL ESTABLISHMENT. No. 54 Granville Street.

DR. MACALLASTER is now using a new kind of Artificial Teeth, which surpass any that have ever been used in this Province. They differ from those formerly used in many respects...

FILLING TEETH.

This part of Dentistry is too much neglected by the public. In almost all cases persons wait until their teeth ache, which they should not do, but should have their teeth examined every six months if possible...

INFORMATION WANTED.

William A. Reid,

Son of Samuel Reid, deceased, left Horton, King's County, for the United States in April 1835, being then about 24 years of age. Was last heard from in Ohio about 1844, was six feet high, slight make and dark complexion.

Charles A. Reid,

Son of the above named Samuel Reid, was in Horton and left for U. S., about 1855, was married, and the last place he was known to reside at, was Middlebury, Vermont. At this time if living he would be between 35 or 40 years of age, of medium height, light hair, and fair complexion.

If the above persons or their heirs will make application to the Undersigned, Executors to the estate of the Samuel Reid, they will hear of something to their advantage; or if dead, any true information given of the fact will be suitably rewarded.

MARTIN L. CLEAVELAND, HENRY S. REID.

Horton, Nov. 25th 1861.

THE HISTORY OF THE RELIGIOUS DENOMINATIONS OF THE WORLD.

COMPRISING a General View of the Origin, History and Condition of the various Sects of Christians, the Jews and Mahometan as well as Pagan forms of Religion, existing in the different countries of the East, with Sketches of the Founders of various Religious Sects.

From the best Authorities,

VINCENT S. MILNER.

Milner's Views of the Religious Denominations of the World is a work I never saw before. I have however examined descriptions given of some of the bodies with whose principles and history I am pretty well acquainted and have found them generally correct and conveying much valuable information.

It supplies a vast amount of information not easily obtained from other books - Christian Messenger.

There are no fewer than one hundred and fifty one sects described. So far as we have been able to examine this work we have found it impartial, accurate and concise - Presbyterian Witness.

The work is destined to a high place in popular favor, and to have an extensive circulation - Yarmouth Tribune.

It is a most valuable reference book and meets a want which almost every person has often felt. REV. JAMES B. BONAR, Montreal, Canada East April 9, 1861.

The volume is an instance of the multum in parvo for nearly everything regarding these various sects which one desires to know without going minutely into their history or character may here be found. Bishop White, George Fox, John Calvin and Wesley add very much to the attractiveness of the volume. HENRY WILKS, D. D. Montreal, April 10th, 1861

I have examined carefully the book of Religious Denominations and up to the whole highly approve of it: - 1st-It is beautifully gotten up; 2nd-it supplies a want I have often heard expressed; 3rd-So far as I can judge it is (with some exceptions) a correct description, 4th-I presume that its price is as low as other of your publications. REV WM BOND. Montreal, May 9, 1861

This is a handsome octavo volume of more than 500 pages, beautifully printed and elegantly bound. It comprises succinct, satisfactory and so far as I can judge correct and impartial statements of the origin and distinguishing tenets of about one hundred and fifty different denominations of religionists. W. ORMISTON, D. D. Hamilton, C. W.

The Book will be sold exclusively by subscription, and every book delivered by my Agent (as a perfect book) that is not equal to the sample will be exchanged on its presentation at my Office. It contains over 500 pages octavo, is illustrated with fine steel portraits of distinguished Divines of the various Sects, and is gotten up in every respect in a superior style and will be furnished at a lower price than any book ever offered to the public of the same style and worth. Agents wanted in every Town. Address, W. J. HOLLAND, Windsor, N. S. nov. 27.

Honey in the Comb.

A Lot of very superior HONEY IN THE COMB, in small boxes, just received and for sale by Oct. 23rd. BROWN BROS., & CO.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors - purify the blood, and let the fluids move on unobstructed in health again.

A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, and suffering of all diseases. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again.

As a Family Physic. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. DEAR BRO. AYER: I cannot answer you what complaint I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Bilious Disorders - Liver Complaints. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Dysentery, Diarrhea, Relax, Worms. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc. Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

SENATE CHAMBER, Baton Rouge, La., 5 Dec 1855. DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout - a painful disease that had afflicted me for years. VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & CO., Lowell, Mass. The Trade supplied by MORRIS & COGSWELL, corner Chesapeake and Hollis Street, Halifax, N. S.
