JUDSON'S Mountain Herb Pills.

Above, we present you with a perfect likeness of Tecuoa, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.
The inventor and manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.
It is an established fact, that all diseases arise from
IMPURE BLOOD!
The blood is the life; and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficient quantity of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter, hence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivaled as a

URE FOR BILIOUS DISEASES.
Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and restores all the fluids and secretions pure and fluent, clearing and reconstituting the vital organs.
Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.
Judson's Pills are the Best Remedy in existence for the following Complaints:
Bowel Complaints, Debility, Inward Weakness, Coughs, Fever and Ague, Liver Complaints, Cold, Female Complaints, Looseness of Stomach, Chest Diseases, Headaches, Piles, Costiveness, Indigestion, Stone and Gravel, Dyspepsia, Influenza, Secondary Symp-Diarrhea, Inflammation, tions, Dropsy.

GREAT FEMALE MEDICINE!
Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches and bring the rich color of health to the pale cheek.
The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Mexicans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.
Observe—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and is sealed at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO. on each box.

AYER'S Sarsaparilla
FOR PURIFYING THE BLOOD.
And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blisters, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1860.
J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having labored a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejected to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a meal, and used almost three bottles. Now and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,
ALFRED B. TALLEY.
St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Neural Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Peck writes from Salem, N. Y., 12th Sept., 1859, that he has cured a noteworthy case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.
Bronchocoele, Gout or Swelled Neck.
Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goutre—a hideous swelling on the neck, which I had suffered from over two years."
Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. R. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Morrow, of Newbury, Ala., writes, "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."
Syphilis and Mercurial Disease.
NEW ORLEANS, 25th August, 1859.
Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the removal of your Sarsaparilla. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon have terminated in death. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints. By the use of your Sarsaparilla she was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraturnally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.
INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and struck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. I FREEM.
Julius Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below-named are pleased to furnish gratis to all who call for them.
Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.
Many remarkable cures of these afflictions have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This is a remedy, universally known to surpass another for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years experience. AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.
