STANDARD HOUSEHOLD REMEDIES.

Dr. D. JAYNE'S FAMILY MEDICINES

gative Medicine. Jayne's Hair Tonic, for the Preservation, Reauty,

Growth and Restoration of the Hair. Jayne's Liquid Hair Dye, also, American Hair Dye (in powder) each of which will change the Hair from any other color to a beautiful Black.

These Medicines have now been before the public for over Thirty years, and during this period, the demand for them has been constantly increasing, and their reputation gradually spreading, until their great curative powers have become known and thoroughly appreciated in all quarters of the world. While, howeaer, the proprietor is fully persuaded that they will give very General, if not Universal Satisfaction, it is not pretended that they are "Cure Alls," nor that they are in all cases, and under all circumstances, absolutely infallible; yet he can truly say, after thirtysix years experience, in an extensive and diversified practice, and with a full knowledge of the medical qualities and effects of the component parts of each of the above named articles, that there is no combination of medicines which have been so generally successful as these, in removing the various discases for which

they are severally recommended. It should be borne in mind, too, that the popularity of these " Family Medicines," is not confined to the illiterate and incredulous, but innumerable persons of intelligence and character, occupying the most prominent stations in society, too honest to impose upon others, and to sagacious to be imposed upon themselves, not only use, but recommend them in the highest terms of praise, for the uniformity of their

success in subduing diseases. The Directions which accompany them are written in plain, perspicuous language, that may be understood by all, -and in addition, Jayne's Medical Almanac and Guide to Health, to be had gratis of all Agents,-contains besides a reliable Calendar,-a Catalogue of Diseases,—the symptoms by which they may be known, and the treatment and remedies, by the use of which they may in most cases be cured, so that where a supply of Jayne's Family Medicine, and a copy of the Almanac are within reach, any careful person will be enabled in case of sickness, to decide what the disease is, and to treat it with intelligence and success.

All these medicines are sold by BROWN, BROTH-ERS & CO., Ordnance Square, Halifax, and by Agents throughout the Country.
