Mrs. Emily D. Bentley. TTAVING concluded her preparations for

T Teacher, would take this opportunity of informing her friends and the public generally, that she will open a

SCHOOL FOR

CHILDREN AND YOUNG LADIES.

In the room lately occupied by Messrs. Compton & Bowden, over Bent's Drug Store, Barrington Street, on TUESDAY, October 1st.

The instruction given will embrace all the branches usually taught in the Schools and Academies in the United States, and will be thorough and efficient .---Every effort will be made to develope and strengthen the mental powers and moral faculties. Mrs. B. thus hopes to meet the co-operation and patronage of the friends of Education.

For Drawing and Painting an extra charge will be made.

For further particulars enquire at No. 31, Graf. ton Street, near Harmonic Hall. Oct. 3.

Pastors, Superintendents, and Teachers are specially invited to send their orders direct to me, as it will save them much trouble in selecting from several places. Catalogues forwarded if desired.

SABBATH SCHOOL STUDIES ON THE LIFE OF CHRIST, First and Second Grade, by Rev. W. S. McKenzie .-Price 10 Cents each.

The object of the Author in preparing these Books was to have a book where his whole Sabbath School could have the same subject before them. He therefore prepared two sets of Questions, one for the smaller portion of the School, and one for the older. After using them in his own School and proving them a perfect success, he corrected them, and now they are presented to the public.

The subject is also continued in a second volume making a complete History of Christ.

The Watchman and Reflector says, in announcing the work :

"The books are original in their theme and design; their subject being the Biography of Christ, presented in an attractive, connected chronological history. The design is to have the same subject studied by the whole School at the same time. Hence, there are two books, of the first and second grade containing the same number of lessons. Each lesson in each book is on precisely the same portion of scripture; so that scholars in the primary department are going over the same ground as the advanced classes. There are evident advantages in having the whole School studying the same topic and portion of scripture.

"With this, teacher's meetings will offer inducements for the attendance of all the teachers ; and when the Superintendent questions the School on the lesson, the youngest as well as the oldest feels an interest in the exercise; and also, when at home the les son is studied, the young as well as the old in the family will be upon the same theme. The conception of the author is a happy one, and his design carried out must be highly acceptable."

From Prof. H. B. Hackett, of Newton Institution .-I have examined some of the pages of Rev. Mr. Me-Kenzie's Question Books on the Life of the Saviour. I regard the plan of the work (which differs quite materially from that of any similar work) as excellent, the questions as eminently judicious and well suited to interest and instruct the learner. It cannot fail to prove a welcome and useful auxiliary to the cause of Sabbath School instruction."

I have also lately issued the COMPREHENSIVE QUESrion Book, on Prominent Biblical events, from the Creation to the End of the World, by Rev. J. Banward, author of the Topical Question Book, Infant Series, &c .- Price 10 Cents.

n of Mr. Rich lous Affection readful disease libraries for Sabbath Schools, I am confident I can ENTIRE SORE. Notwithstanding he was under the care of the best physicians, he seemed to get worse All orders will be thankfully received, and such a and worse, when his father, being advised to give selection of books sent as is deemed best, giving the Jayne's Alterative a trial, he consented to do so -When his son had finished the first bottle an improvement was perceptible, and four bottles effected what seems to be a permanent cure. The sores have all disappeared, and no one not acquainted with the circumstances would suppose, upon looking into the heatthy, happy face of Master Sarver, that he had ever known sickness of any kind."

> Mr. A. CARLTON, of Mount Parthenon, Newton county, Ark, writes-" I have been cured by the use of Jayne's Alterative and Sanative Pills, of a Scrofulous Affection, which showed itself in the gums and cheek, and appeared to threaten fatal results.

Mrs. P. L. BOUTON, of Altona Louisa county, lows, writes- 'I was suffering two years with a Cancer on my breast. The different physicians to whom 1 had applied advised me to submit to a surgical operation, which I could not summon fortitude enough to undergo I used four bottles of your Alterative, which cured me."

Rev. J. B. LAKE, of Le Koy, Pa., writes :- " For five winters in succession I was seriously afflicted with rheumatism in one of my knees. It generally became badly swollen, and the chords greatly contracted. Af ter the swelling subsided, my knee was undormly so weak that for a number of weeks I was compelled to occupy a sitting posture in preaching. To try your Alterative I used some eight bottles, and since that time I have not had a single rheumatic attack. My nealth in other respects has been much improved. I mention this for the benefit of those who may be alike afflicted."

Mr. SAMUEL WOLF, of Lanesville, Harrison county, Md., writes-" I had five very severe attacks of EPILEPTIC FITS within two years, and when every remedy and every kind of treatment had completely failed to cure me, I then decided to use your ALTERA-TIVE. I took eighteen bottles of it, and one dozen of the SANATIVE FILLS, and for one year I have been enurely fiee from any attacks."

CATHARINE SHEELER, of Sheshequin, Bradford county, Pa,, writes- For more than twenty yeurs I have been afflicted with Goitre or Swelled Neck, and it had increased so much that I was in danger of suffocation The disease baffled the skill of physicians and about a year ago I was induced to try your Alterative. In one week the circumference of my neck was reduced three inches. I continued its use for about six months, when I considered myself cared. I have no hesitation in saying that my life has been saved by the use of your medicines."

Mr. LANSLOTT HALL, of Goochland county, Va., writes-" My wife has been, for a considerable length of time, suffering with Neuralgia and Dyspepsia, and is under the impression that she could not live without your invaluable Alterative and Sanative Pills, from the use of which she derives much benefit."

This ALTERATIVE and all of JAYNE'S FAMILY MEDICINES are sold by BROWN, BROS. & CO. Ordnance Square, Halitax, and by Agents throughout
