BOOKS

BAPTIST SABBATH SCHOOLS.

ANDREW F. GRAVES, 24 Cornhill, Boston, Mass., has a large variety of

THEOLOGICAL

SABBATH SCHOOL BOOKS.

which are adapted for clergymen and Baptist Sabbath Schools, including the publications of the American Baptist Publication Society, American S. S. Union, Gould & Lincoln, Sheldon & Co., Henry Hoyt, Mass. Sabbath School Society, American Tract Society, New York Tract Society, Methodist Book Concern, Robert Carter & Bro., and other publishing Societies and booksellers.

These Books coming from doubtful sources are all examined, and none recommended which are not adapted to BAPTIST SABBATH SCHOOLS.

Having been engaged for many years in selecting libraries for Sabbath Schools, I am confident I can give good satisfaction.

All orders will be thankfully received, and such a selection of books sent as is deemed best, giving the purchaser the privilege of exchanging any not desired. Bundles can be sent by any packet or steamer from Boston.

Question Books, Reward Cards, Music Books, &c., &c., of every kind constantly on hand.

Pastors, Superintendents, and Teachers are specially invited to send their orders direct to me, as it will save them much trouble in selecting from several places. Catalogues forwarded if desired.

VALUABLE

Question Books.

SABBATH SCHOOL STUDIES ON THE LIFE OF CHRIST, First and Second Grade, by Rev. W. S. McKenzie.—Price 10 Cents each.

The object of the Author in preparing these Books was to have a book where his whole Sabbath School could have the same subject before them. He therefore prepared two sets of Questions, one for the smaller portion of the School, and one for the older. After using them in his own School and proving them a perfect success, he corrected them, and now they are presented to the public.

The subject is also continued in a second volume making a complete History of Christ.

The Watchman and Reflector says, in announcing the work:

"The books are original in their theme and design; their subject being the Biography of Christ, presented in an attractive, connected chronological history. The design is to have the same subject studied by the whole School at the same time. Hence, there are two books, of the first and second grade, containing the same number of lessons. Each lesson in each book is on precisely the same portion of scripture; so that scholars in the primary department are going over the same ground as the advanced classes. There are evident advantages in having the whole School studying the same topic and portion of scripture.

"With this, teacher's meetings will offer inducements for the attendance of all the teachers; and when the Superintendent questions the School on the lesson, the youngest as well as the oldest feel an interest in the exercise; and also, when at home the lesson is studied, the young as well as the old in the family will be upon the same theme. The conception of the author is a happy one, and his design carried out most highly acceptable."

From Prof. H. B. Hackett, of Newton Institution.—I have examined some of the pages of Rev. Mr. McKenzie's Question Books on the Life of the Saviour. I regard the plan of the work (which differs quite materially from that of any similar work) as excellent, the questions as eminently judicious and well suited to interest and instruct the learner. It cannot fail to prove a welcome and useful auxiliary to the cause of Sabbath School instruction."

I have also lately issued the COMPREHENSIVE QUESTION BOOK, on Prominent Biblical events, from the Creation to the End of the World, by Rev. J. Barnard, author of the Topical Question Book, Infant Series, &c.—Price 10 Cents.

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, that it has never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years experience. AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

Thousands of Cases.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itchings, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859. J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp with a scurf which was painful and troublesome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejected to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla) for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scurf, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Scap. Dr. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Drapry, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Gout or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gout—a hideous swelling of the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but amputation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859. Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and her rest. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREEM.

Julius Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized portions of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
