JAYNE'S ALTERATIVE.

1 m.

Aug. 28.

TT is an established fact that a very large class of diseases can only be cured by such medicines as will enter into the blood, and circulates with it through every portion of the body; for only by this means can the remedy be brought into immediate contact with the disease. To obtain this desirable end, no preparation has ever been so uniformly successful as DR. D. JAYNE'S ALTERATIVE.

# VALUABLE Question Books.

SABBATH SCHOOL STUDIES ON THE LIFE OF CHRIST. First and Second Grade, by Rev. W. S. McKenzie .-Price 10 Cents each.

The object of the Author in preparing these Books was to have a book where his whole Sabbath School could have the same subject before them. He therefore prepared two sets of Questions, one for the smaller portion of the School, and one for the older. After using them in his own School and proving them a perfect success; he corrected them, and now they are presented to the public.

The subject is also continued in a second volume making a complete History of Christ.

The Watchman and Reflector says, in announcing the work :

"The books are original in their theme and design; their subject being the Biography of Christ, presented in an attractive, connected chronological history. The design is to have the same subject studied by the whole School at the same time. Hence, there are two books, of the first and second grade containing the same number of lessons. Each lesson in each book is on precisely the same portion of scripture; so that scholars in the primary department are going over th same ground as the advanced classes. There are ev. dent advantages in having the whole School studyin ! the same topic and portion of scripture.

"With this, teacher's meetings will offer induce ments for the attendance of all the teachers ; an when the Superintendent questions the School on th lesson, the youngest as well as the oldest feels an in terest in the exercise; and also, when at home the le son is studied, the young as well as the old in th family will be upon the same theme. The conceptiof the author is a happy one, and his design carri-out must be highly acceptable." From Praf. H. B. Hackett, of Newton Institution.-

I have examined some of the pages of Rev. Mr. M Kenzie's Question Books on the Life of the Saviou I regard the plan of the work (which differs qui materially from that of any similar work) as exce lent, the questions as eminently judicious and we suited to interest and instruct the learner. It cannfail to prove a welcome and useful auxiliary to th cause of Sabbath School instruction."

I have also lately issued the COMPREHENSIVE QUES TION BOOK, on Prominent Biblical events, from t. Creation to the End of the World, by Rev. J. Ba ward, author of the Topical Question Book, Infan Series, &c .- Price 10 Cents.

The Sabbath School Gems, By Rev. J. M. GRAVES. Price in paper cover, \$1.00 per dozen; cloth, \$1.75.

CANCEROUS TUMORS. WHITE SWELLINGS, GOUT, LIVER COMPLAINT, DYSPEPSIA, ULCERS, SCALD HEAD, &c. &c. Have been effectually cured by this ALTERATIVE

It is, besides, one of the most pleasant articles that can be taken into the stomach, operating as a donic, and re moving Dyspeptic and Nervous affections. It may be had of Agents throughout the country.

MR. C. P. HAYFORD, of Mount Pisgah, Ohio. writes : "Your Alterative has recently been most thoroughly tried in this place. The son of Mr. Rich ard Sarver has been afflicted with Scrofulous Affection for seven years. The ravages of this dreadful disease had been such that the boy's face was, at times, ONE ENTIRE SORE. Notwithstanding he was under the care of the best physicians, he seemed to get worse and worse, when his father, being advised to give Jayne's Alterative a trial, he consented to do so -When his son had finished the first bottle an improve ment was perceptible, and four bottles effected what seems to be a permanent cure. The sores have all disappeared, and no one not acquainted with the circum stances would suppose, upon looking into the healthy, happy face of Master Sarver, that he had ever known sickness of any kind."

Mr. As CARLTON, of Mount Parthenon, Newton county, Ark, writes-" I have been cured by the use of Jayne's Alterative and Sanative Pills, of a Scrofulous Affection, which showed itself in the gums and cheek, and appeared to threaten fatal results

Mrs. P. L. BOUTON, of Altona Louisa county, lowa, writes- 'I was suffering two years with a Can cer on my breast. The different physicians to whom I had applied advised me to submit to a surgical opera tion. which I could not summon fortitude enough to undergo I used four bottles of your Alterative, which cured me."

Rev. J. B. LAKE, of Le Kny, Pa., writes :- " For five winters in succession I was seriously afflicted with rheumatism in one of my knees. It generally became badly swollen, and the chords greatly contracted. Af ter the swelling subsided, my knee was uniformly so weak that for a number of weeks I was compelled to occupy a sitting posture in preaching. To try you, Alterative I used some eight bottles, and since that time I have not had a single rheumatic attack. My health in other respects has been much improved. I mention this for the benefit of those who may be alike afflicted."

Mr. SAMUEL WOLF, of Lanesville, Harrison county, Md., writes-" I had five very severe attacks of EPILEPTIC Fits within two years, and when every remedy and every kind of treatment had completely failed to cure me, I then decided to use your ALTERA-TIVE. I took eighteen bottles of it, and one dozen of the SANATIVE PILLS, and for one year I have been entirely fee from any attacks."

CATHARINE SHEELER, of Sheshequin, Bradford county, Pa,, writes-" For more than twenty years I have been afflicted with Goitre or Swelled Neck, and it had increased so much that I was in danger of suffocation The disease baffled the skill of physicians, and about a year ago I was induced to try your Alterative. In one week the circumference of my neck was reduced three inches. 1 continued its use for about six months, when I considered myself cared. I have no hesitation in saying that my life has been saved by the use of your medicines."

DEAR BRO. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great depen-dence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the

best we have, I of course value them highly. PITTSBURG, Pa., May 1, 1855. DR. J. C. AYER. Sir: I have been repeatedly cured of the worst heudache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREDUC. Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pur-pose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

## DEPARTMENT OF THE INTERIOR,

Washington, D. C., 7th Feb., 1856, Sin : I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we empley. Their regu-lating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., *Physician of the Marine Hospital*.

#### Dysentery, Diarrhoa, Relax, Worms. From Dr. J. G. Green, of Chicugo.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhau. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

## Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pustor of Advent Church, Boston. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR : I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

### From Dr. J. P. Vaughn, Montreol, Canada.

Too much cannot be said of your Pills for the cure of contineness. If others of our fraternity have found them asynflicacious as I have, they should join me in proclaim-ing it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

## From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients

From the Rev. Dr. Hawkes, of the Methodist Bpis. Church.

RULASEI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excru-ciating neuralgic pains, which ended in chronic rheuma-tism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By recreated in the use of them, I am now entirely well.
