STANDARD HOUSEHOLD REMEDIES.

Dr. D. JAYNE'S FAMILY MEDICINES

ARE prepared with great care, expressly for family use, and are so admirably calculated to preserve health and remove disease, that no family should ever be without them. They consist of Jayne's Expectant, for Coughs, Consumption, Asthma, and other Pulmonary Affections. Jayne's Tonic Vermifuge, for Worms, Dyspepsia, Piles, General Debility, &c. Jayne's Specific for the Tape Worm. Jayne's Carminative Balsam, for Bowel and Summer Complaints, Colic, Cramps, Cholera, &c. Jayne's Alternative, for Scrofula, Gout, Cancers, Diseases of the skin and Bones, &c. Jayne's Agus Mixture, for the cure of Fever and Ague. Jayne's Liniment or Counter Irritant, for Sprains, Bruises, &c. Jayne's Sanative Pills, a valuable Alternative and Purgative Medicine. Jayne's Hair Tonic, for the Preservation, Beauty, Growth and Restoration of the Hair. Jayne's Liquid Hair Dye, also, American Hair Dye, (in powder) each of which will change the Hair from any other color to a beautiful Black.

These Medicines have now been before the public for over Thirty years, and during this period, the demand for them has been constantly increasing, and their reputation gradually spreading, until their great curative powers have become known and thoroughly appreciated in all quarters of the world. While, however, the proprietor is fully persuaded that they will give very General, if not Universal Satisfaction, it is not pretended that they are "Cure Alls," nor that they are in all cases, and under all circumstances, absolutely infallible; yet he can truly say, after thirty-six years experience, in an extensive and diversified practice, and with a full knowledge of the medical qualities and effects of the component parts of each of the above named articles, that there is no combination of medicines which have been so generally successful as those, in removing the various diseases for which they are severally recommended.

It should be borne in mind, too, that the popularity of these "Family Medicines," is not confined to the illiterate and uneducated, but innumerable persons of intelligence and character, occupying the most prominent stations in society, too honest to impose upon others, and too sagacious to be imposed upon themselves, not only use, but recommend them in the highest terms of praise, for the uniformity of their success in subduing diseases.

The Directions which accompany them are written in plain, perspicuous language, that may be understood by all, and in addition, Jayne's Medical Almanac and Guide to Health, to be had gratis of all Agents, contains besides a reliable Calendar, a Catalogue of Diseases, the symptoms by which they may be known, and the treatment and remedies, by the use of which they may in most cases be cured, so that where a supply of Jayne's Family Medicine, and a copy of the Almanac are within reach, any careful person will be enabled in case of sickness, to decide what the disease is, and to treat it with intelligence and success.

All these medicines are sold by BROWN, BROTHERS & CO., Ordnance Square, Halifax, and by Agents throughout the Country. July 3.

CHILDREN TEETHING

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, FOR CHILDREN TEETHING.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years experience. AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

Thousands of Cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Gripping in the Bowels, and Wind Colic

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHOEA IN CHILDREN, whether it arise from teething, or from any other cause.—We would say to every mother who has a child suffering from any of the foregoing complaints—Do not let your prejudice, nor the prejudices of others, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

POISONOUS MINERALS AND DRUGS.

MOTHERS TAKE HEED!

Do you when observing the uneasy actions of your children, consider that it may be more than a mere Colic that afflicts them? In nine cases out of ten, the cause of the little sufferer's anguish is WORMS, and should be at once looked to.

HEADS OF FAMILIES

Do not let your children suffer, when we present you in

JUDSON'S WORM TEA

How much better and safer would it be to have it always in the house. This medicine is combined purely of

HERBS AND ROOTS
