Triple Remedies.

Cures Coughs, Colds, Asthma, Bronchial Complaints, and all Throat Irritations leading to Actual Consumption.

Its great feature is a freedom from every component which produces debility, and its underrating certainty in all the above Complaints rests with the fact that it may be used every hour without restraint. Therefore, from childhood and its terror, WHOOPING COUGH, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your pocket companion by day, and your bedside friend by night, using it whenever you please.

Cures all Complaints of Nervous and Spasmodic character, such as NEURALGIA, GOUT, RHEUMATISM, ST. VITUS DANCE, TOOTH AND EAR-ACHE, BOWEL COMPLAINTS, NERVOUS AND SPASMODIC SICK HEAD-ACHE, to that terror of all Nervous dispositions, and probably the chief cause of Insanity,

Designed as special assistant to the above-named preparations, when aggravated by BILIOUSNESS or INDIGESTION, and the great substitute for all MERCURIAL PREPARATIONS.

THE ECLECTIC PILLS, without the common fatal necessity of almost making a meal of such, will in most cases, by the application of a single PILL, produce all the requirements of a sure, gentle, and reliable FAMILY PHYSIC.

Let me have your confidence to make trial of the above-named Remedies, as the only sure tribunal by which real character can be ascertained, and my declaration is that such confidence will not be misplaced. The greater justice, is to procure and read the descriptive Pamphlet to be found with all dealers, or will be sent free by

Cogswell & Forsyth, Avery, Brown & Co., Geo. E. Morton & Co., Woodill, Richardson, Johnson, and Durney, Agents for Halifax. H. L. Atkins, Truro. J. D. B. Frazer, Pictou. J. A. Shaw, Windsor. A. Henderson & son, Annapolis, and all dealers everywhere.

New kind of Teeth.

COMPLETE DENTAL ESTABLISHMENT. No. 54 Granville Street. DR. MACALLASTER is now using a new kind of Artificial Teeth, which surpass any that have ever been used in this Province. They differ from those formerly used in many respects—they are more natural, have none of that glossy artificial appearance which is so readily detected. He would respectfully inform those desirous of having Dentistry done that he never was better prepared to do good work than now. After a successful practice of his profession in this Province for four years, the great increase of his business, go to show the confidence that the public have in his abilities to manufacture and insert Artificial Teeth.

He would also call attention to the great importance of FILLING TEETH. This part of Dentistry is too much neglected by the public. In almost all cases persons wait until their teeth ache, which they should not do, but should have their teeth examined every six months if possible, and filled while the cavities are small; by so doing the teeth are restored to health, and made equally as good as before decayed. Many years of constant practice, and by the particular attention Dr. M. has paid to this branch of Dentistry, he is fully competent to make gold fillings, large or small, in the best manner possible.

All operations in Dentistry,—such as filling, extracting and cleansing, done in a skilful manner. The Complete Dental Establishment, 54 GRANVILLE STREET, HALIFAX, N. S. One door north of Dr. Black's and near the Baptist Chapel. Nov. 27th.
