IMPORTANT DENTAL NOTICE. Very important to Ladies residing in the Country, who intend visiting Halifax to have Dentistry done.

DR. MACALLASTER, Dentist, is fully prepared to accommodate Ladies, who may employ him, while having their work done,—all without charge. Every effort will be made to render his house a pleasant home, for all who may avail themselves of the opportunity.

There are many advantages offered in the arrangements:— First, the work can be accomplished in much less time by having the patient present.

Second, the work can be done more perfectly. Third, the success is sure. Fourth, the great convenience and saving of expense to the patient.

Those desiring Artificial Teeth should not fail to call and examine Specimens before going elsewhere. He would respectfully call attention to the Vulcanite rubber plates for Artificial Teeth. He has used it three years with great success, and it is in every respect better than Silver plates; he now has great pleasure in recommending it to his patrons and the public; in the United States it is being used by all the first class Dentists, at the last Dental Convention, held in Ohio, July last, the whole Convention spoke in its favour, it is also used in England to a great extent; it has many advantages over every other kind of work, it is lighter, it is free from taste, it is strong and durable, and can be repaired should it break; it can be inserted in full Sets or partial Sets with suction plates or attached; there is no plate so easy in the mouth, or so cheap.

It is now well known that Dr. M. after a successful practice of his profession in this Province for six years, is thoroughly competent to perform every operation of Dentistry in a most skillful manner. He would here respectfully mention that the great increase of business, and demand for his Professional services, go to show entire confidence that the Public has in his abilities to manufacture and insert Artificial Teeth.

Every kind of Dentistry skillfully performed at the complete Dental Establishment, 43 Granville Street. One door 6th of Dr. Blacks, and near the Baptist Chapel. Oct. 1. 6m.

Ayer's Sarsaparilla,

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Estes, a well-known merchant of Oxford, Maine. "I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could do both of a medical and surgical nature, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Savin, Houston St., New York. "DR. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years, I had the worst Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rofs, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sticker, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we begged giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Stout, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated year after year, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alternative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alternative in diseases of females. Many cases of Irregularity, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

Triple Remedies.

HUNNEWELL'S UNIVERSAL COUGH REMEDY. Cures Coughs, Colds, Asthma, Bronchial Complaints, and all Throat Irritations leading to Actual Consumption.

Its great feature is a freedom from every component which produces debility, and its unerring certainty in all the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, Whooping Cough, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your pocket companion by day, and your bedside friend by night, use it whenever you please.

HUNNEWELL'S TOLU NODYNE. Cures all Complaints of Nervous and Spasmodic character, such as NEURALGIA, GOUT, RHEUMATISM, ST. VITUS DANCE, TOOTH AND EAR-ACHE, ROVEL COMPLAINTS, NERVOUS AND SPASMODIC SICK HEADACHE, to that terror of all Nervous dispositions, and probably the chief cause of Insanity, "Loss of Sleep."

HUNNEWELL'S ECLECTIC PILLS. Designed as special assistant to the above-named preparations, when aggravated by BILIOUSNESS or INDIGESTION, and the great substitute for all MERCURIAL PREPARATIONS.

THE ECLECTIC PILLS, without the common fatal necessity of almost making a meal of such, will in most cases, by the application of a single Pill, produce all the requirements of a sure, gentle, and reliable FAMILY PHYSIC.

Let me have your confidence to make trial of the above-named Remedies, as the only sure tribunal by which real character can be ascertained, and my declaration is that such confidence will not be misplaced. The greater justice, is to procure and read the descriptive Pamphlet to be found with all dealers, or will be sent free by
