USE WOODILL'S Worm Lozenges.

Important to Parents.

WOODILL'S IMPROVED WORM LOZENGES

ARE perfectly safe—they act immediately without physic—are palatable, and taken eagerly by children, thereby possessing ever advantage of Vermifuges now in use, which are so nauseous and troublesome to administer to children—and are warranted to contain no mercury.

Read the Published Testimonials which will prove the superiority of WOODILL'S WORM LOZENGES over every other remedy for Worms—equally as efficacious in adults as in children.

Ask for WOODILL'S WORM LOZENGES, to be had at the

City Drug Store, Halifax.

And from Dealers in Medicines generally throughout the Province.

For sale by Druggists and Storekeepers.

Sir.—Having experienced great benefit from the use of your "Indian Healing Salve," I beg to add my testimony to its virtues.

My youngest child having been unfortunately severely scalded, his mother called in a medical gentleman, who informed her that he could not do anything for its relief; and that the child could not live more than three days. The scald was very severe, extending over the whole left breast and shoulder.—Being informed of the virtues of your Salve, we procured a box, and by its application the child was perfectly cured in three weeks. Another of my children, badly burned in the arm, was cured by the use of the Salve in a remarkable short time.

I can also bear testimony to its efficacy in healing Chapped Hands, with which, being employed in curing fish, I am severely afflicted, through contact with the pickle; but your Salve always proves a perfect cure in that complaint.

ROBERT INNES, 75, Grafton-st.

Triple Remedies.

Cures Coughs, Colds, Asthma, Bronchial Complaints, and all Throat Irritations leading to Actual Consumption.

Its great feature is a freedom from every component which produces debility, and its unerring certainty in all the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, Whooping Cough, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your pocket companion by day, and your bedside friend by night, using it whenever you please.

Cures all Complaints of Nervous and Spasmodic character, such as NEURALGIA, GOUT, RHEUMATISM, ST. VITUS DANCE, TOOTH AND EAR-ACHE, BOWEL COMPLAINTS, NERVOUS AND SPASMODIC SICK HEAD-ACHE, to that terror of all Nervous dispositions, and probably the chief cause of Insanity, "Loss of Sleep."

Designed as special assistant to the above-named preparations, when aggravated by BILIOUSNESS or INDIGESTION; and the great substitute for all MERCURIAL PREPARATIONS.

THE ECLECTIC PILLS, without the common fatal necessity of almost making a meal of such, will in most cases, by the application of a single Pill, produce all the requirements of a sure, gentle, and reliable

FAMILY PHYSIC.

Let me have your confidence to make trial of the above-named Remedies, as the only sure tribunal by which real character can be ascertained, and my declaration is that such confidence will not be misplaced. The greater justice, is to procure and read the descriptive Pamphlet to be found with all dealers, or will be sent free by

Cogswell & Forsyth, Avery, Brown & Co., Geo. E. Morton & Co., Woodill, Richardson, Johnson, and Durney, Agents for Halifax. H. L. Atkins, Tenno. J. D. B. Fraser, Pictou. J. A. Shaw, Windsor. A. Henderson & son, Annapolis, and all dealers everywhere.

Dealers of good reference can have the above on commission by applying to the Proprietor. Dec. 18. Exp. 1 yr.

New kind of Teeth.

.....AT THE.....

COMPLETE DENTAL ESTABLISHMENT.

No. 54 Granville Street.

DR. MACALLASTER is now using a new

Kind of Artificial Teeth, which surpass

any that have ever been used in this Province. They differ from those formerly used in many respects—they are more natural, have none of that glossy artificial appearance which is so readily detected. He would respectfully inform those desirous of having Dentistry done that he never was better prepared to do good work than now. After a successful practice of his profession in this Province for four years, the great increase of his business, go to show the confidence that the public have in his abilities to manufacture and insert Artificial Teeth.

He would also call attention to the great importance of

FILLING TEETH.

This part of Dentistry is too much neglected by the public. In almost all cases persons wait until their teeth ache, which they should not do, but should have their teeth examined every six months if possible, and filled while the cavities are small; by so doing the teeth are restored to health, and made equally as good as before decayed. Many years of constant practice, and by the particular attention Dr. M. has paid to this branch of Dentistry, he is fully competent to make gold fillings, large or small, in the best manner possible.

All operations in Dentistry,—such as filling, extracting and cleansing, done in a skillful manner.

The Complete Dental Establishment,

54 GRANVILLE STREET, HALIFAX, N. S.
