Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Danville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H. "I had for several years a very troublesome humor in my face; which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Sawin, Houston St., New York. "Dr. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No other we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeham, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cord became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monroe, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days he guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by Internal Scrofulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not; when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

Feb. 12th. Coughs, Colds, Consumption, Asthma, Bronchitis, &c.

JAYNE'S EXPECTORANT.

Has been for thirty years the Standard Remedy. RECENT COUGHS AND COLDS, Pleuritic Pains, &c., are quickly and effectually cured by its diaphoretic, soothing and Expectorant power.

Asthma it always cures. It overcomes the spasmodic contraction of the air vessels, and by producing free expectoration, at once removes all difficulty of breathing.

Bronchitis readily yields to the Expectorant. It subdues the inflammation which extends through the wind tubes, produces free expectoration, and suppresses at once the Cough and Pain.

Consumption—For this insidious and fatal disease, no remedy on earth has ever been found so effectual. It subdues the inflammation,—relieves the Cough and Pain,—removes the difficulty of breathing, and produces an easy expectoration, whereby all irritating and obstructing matters are removed from the lungs.

Whooping Cough is promptly relieved by this Expectorant. It shortens the duration of the disease one-half, and greatly mitigates the sufferings of the patient.

In all Pulmonary Complaints, in Pleurisy, &c., it will be found to be prompt, safe, pleasant and reliable, and may be especially commended to Ministers, Teachers, and Singers, for the relief of Hoarseness, and for strengthening the organs of the voice. Here is a portion of the testimony:

Rev. John Dowling, D. D., Pastor of the Berean Baptist Church, N. Y., writes: "I have long known the virtues of Jayne's Expectorant, and frequently tested them on myself and family, when afflicted with Coughs or Colds. I believe it to be one of the best remedies ever discovered for these maladies."

Mr. Reading Doty, of Twenty-Mile Stand, Warren county, Ohio, says: "Recently I had an attack of Asthma, the most distressing of all diseases, and yesterday afternoon, after taking a short ride, I returned home almost unable to breathe. Through the persuasion of my wife, I was led to try Dr. D. Jayne's Expectorant. The first dose gave instant relief, and after the fourth dose I enjoyed a refreshing sleep, and the next morning arose in better health than for two years past."

Rev. N. M. Jones, Rector of the Church of St. Bartholomew, (Protestant Episcopal,) Philadelphia, writes: "In all cases resembling Consumption, I recommend Jayne's Expectorant, having in so many cases witnessed its beneficial effects."

Mr. Preston B. Ewing, Leconte, Harrison county Ind., writes: "Being afflicted with Bronchitis for the space of three years, to such an extent that I was obliged to relinquish the teaching of the Vocal Music, and fail to obtain any relief from the Physician whom I consulted, I gave Jayne's Expectorant a trial. After using it for a few weeks I was very much relieved, and by its continued use my throat is now entirely clear of any disease."

Mr. John Henry, of Burlington, Bradford, Co. Pa., says: "For two years my son was afflicted with a disease resembling Consumption, and during this period was unable to labor. Being finally induced to try Dr. Jayne's Expectorant, he was completely cured after taking ten bottles, and he is now able to work every day."

Rev. Valentine Gray, of the Methodist Church, writes from Centerville, Pa. "Having experienced the beneficial effects of your Family Medicine. I would give it as my opinion that they are the very best I ever had occasion to use, and most cheerfully recommend them to the afflicted. Your Expectorant, especially, I have found to be a sure cure for Coughs and Colds."

Mr. Larkin Dehart, Pleasant Point, Illinois, writes: "On our youngest child, 11 months old, is subject to the Croup. At each attack of the disease we give it your Expectorant, according to directions, and it always affords immediate relief. I have just recovered from a severe Cough, which had settled on my lung, and attribute my cure to Providence and the use of the Expectorant."

This Expectorant and all of Jayne's Family Medicines are sold by Brown Brothers & Co., Ordinance Square, Halifax, and by Agents throughout the country. Nov. 13
