USE WOODILL'S Worm Lozenges.

Important to Parents. WOODILL'S IMPROVED WORM LOZENGES ARE perfectly safe—they act immediately without physic—are palatable, and taken eagerly by children, thereby possessing ever advantage of Vermifuges now in use, which are so nauseous and troublesome to administer to children—and are warranted to contain no mercury.

Read the Published Testimonials which will prove the superiority of WOODILL'S WORM LOZENGES over every other remedy for Worms—equally as efficacious in adults as in children. Ask for WOODILL'S WORM LOZENGES, to be had at the City Drug Store, Halifax. And from Dealers in Medicines generally throughout the Province. JAMES L. WOODILL, Chemist, &c., 63 Hollis Street. Feb. 12th. 1 yr.

In feeding one hundred bushel of grain, a man can save at least fifteen bushels by using these powders. Use them and you will find it so. The many DISEASES of HORSES can almost all be PREVENTED or CURED by these Powders. ONE POWDER drives out Worms. ONE POWDER cures Bots. ONE POWDER puts a Horse in condition. ONE POWDER makes a Horse shed his coat. ONE POWDER gives a soft and glossy appearance to the hair. ONE POWDER cures the Horn distemper in Cattle. The CARLTON'S CONDITION POWDERS, given according to directions, are the best thing in the world to STRENGTHEN a horse, and to revive him to health and vigor after severe exposure or hard driving. These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty. Carlton's Condition Powders, will be found a perfect TONIC and RESTORER after attacks of any acute diseases, such as Influenza, Strangles, Inflammation of the Lungs, Nasal Gicet, etc. EVERY ONE WHO OWNS STOCK of ANY KIND should use this Medicine, it is ALWAYS BENEFICIAL, and is so HARMLESS that it can always be given without fear. FARMERS WHO ARE FATTENING their stock should use these CONDITION POWDERS. They will keep all kinds of stock healthy and in good heart, and make them fatten much easier and quicker than they otherwise would. Remember this Caution. FIND THE SIGNATURE OF J. CARLTON COMSTOCK In full on the wrapper of each Package. This is the only test of the True Carlton's Condition Powders. Take no "Condition Powders" without this signature. THE CONDITION POWDERS are put up in large Packages and sold by all Druggists and Medicine Dealers at 25 cents per package. COGSWELL & FORSYTH, General Agents Halifax N.S. Jan. 14. 4 mths.

The peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children into the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease. Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weakness, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it. We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them. AYER'S CHERRY PECTORAL, The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease. This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done. Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass. Sold by all druggists every where. COGSWELL & FORSYTH Halifax, wholesale agents for the Province. Honey in the Comb.
