YOUR Committee, appointed for the purpose of investigating the subject of "Donations," collected by William S. Raymond, to aid in the construction of the Baptist Church at Beaver River, have performed that duty, and beg to submit the following

REPORT:—

Table with 3 columns: Item, Amount, Total. Includes 'Total amount collected at Liverpool and Millville', 'Yarmouth', 'Salem, U.S.', 'Beverly', 'Portland', 'Donation Wm. P. Goodhue, Esq. (Sofa)', 'On Clock'.

Paid freight from Liverpool, \$90.00. And expenses W. S. Raymond, 20.00. Yarmouth, 6.00. Salem, &c., 24.00. Total Nett amount of Donations, \$221.98. To this may be added amount realized from Tea Meeting amounting to 171.35. Total \$393.33.

In connexion with this report we deem it a duty which we owe to the public, and most especially to Bro. Wm. S. Raymond, to contradict the calumnious misstatements which have been circulated by evil minded persons, not proprietors in the house, implicating him with having appropriated to the use of his own family, certain of the above collected funds.

From a candid investigation of the matter we declare those reports to have been utterly groundless, mere fabrications; and therefore urge that legitimate measures be adopted to restore to Bro. Raymond, doubly for whatever his reputation, as a consistent christian, may have suffered, wherever such reports have obtained circulation.

Submitted, CALVIN RAYMOND, DAVID CROSSBY, THOMAS GOUDY, AARON JEFFERY, Committee.

TO THE ELECTORS OF THE SOUTH DISTRICT OF COLCHESTER.

GENTLEMEN.—Having been unanimously nominated by a number of the Electors met at Truro, as delegates from the outlying districts, to allow myself to be put in nomination as one of the Representatives of that district, I cheerfully accede, and shall only say I shall be glad if the majority of the Electors shall feel they have confidence in me so acting as will in a general way be for the true interests of the whole Province, and more particularly the people of South Colchester.

I need not hesitate at once to declare I am what is termed "Conscientious;" by that term I mean I am ready at all times to conserve the true interests of the Province,—all matters when brought forward, no matter by whom, shall have my best consideration, and, as far as it may be possible, shall be decided by me on their merits.

I will not be bound to follow any party or leader through thick and thin; I will not be a party to proscriptio of any kind; I will at all times, so far as my judgment dictates, judge and vote upon any question that may come up according to the true interests of the whole Province, without being bound to a party, for I contend the interests of party must give way to the interests of the whole people.

And finally, Electors, at present the time is so short it would be impossible to make a personal canvass of the whole, and so explain my views as would perhaps more fully satisfy you; but should you do me the honour to elect me, I shall then feel it a pride, as well as a duty, to visit the various portions of the district and as far as possible become acquainted with your wants and wishes as a people, and not as a party, and during the summer I shall find time to become better acquainted.

May 13. I am, Electors, yours, J. D. NASH.

WINDSOR.—Rev. D. M. Welton will pardon us for making a brief extract from a private letter received a few days since. He says: "We are in the midst of a series of meetings, and our hearts are much encouraged. Last Lord's-day I baptized four in the presence of four or five hundred persons. Indeed all Jerusalem and Judea and the region round about Jordan went out to witness the baptism, which was celebrated in the vicinity of the town, at the confluence of the St. Croix and the Avon. Others are giving themselves to the Lord, and we trust the work is just begun."
