NEW ADVERTISEMENTS.

Cancer Cured.

Mr. Editor.—PUGWASH, 25th Jan., 1863.

Will you have the kindness to publish the following two certificates: they are but a fair specimen of several others my mother has in her possession:

To Mrs. DAVID ROGERS: Dear Madam,

I feel it a duty I owe to you and to suffering humanity, to state in writing that your medicine for the cure of Cancer, has effected a complete cure of a severe case of Cancer in my wife. The cancer began to appear about five years ago, a little below the left breast, which continued to increase in size, and during last January it began to grow very rapidly, with darting pains through it. We consulted a Dr., who said he did not think your medicine would cure it, but that he could burn it out. We, however, concluded, from what we had heard of your medicine, to try it, and to our agreeable surprise, in a few days the pain subsided and it began to improve. This was about the first of last February, and I am happy now to be able to inform you that—although in about one week after using your medicine the cancer became ulcerated—the pain soon left it, and now it is entirely cured. I think you ought, for the sake of humanity, to make your skill in curing cancers known to the public. W. L. ANGEVINE. Wallace River, 20th May, 1863.

To Mrs. D. ROGERS: Pugwash, 29th May, 1863. Dear Madam,

I think it a duty I owe to you and the public, to state the following facts, as well for the benefit of humanity as in justice to yourself. Although it should have been done long before this—but better late than never.

About four or five years ago I had a cancer in my breast which had been coming on for a long time before, but at last it became very painful with severe vascinating pains darting through it at certain times. I applied to several doctors who advised that it should be cut out, and being afraid to submit to the operation, and hearing that you had cured many cancers, I, as you know, applied to you, and submitted to your treatment, and used your medicine, and in a few months was thoroughly cured, and have been in perfect health ever since. I would wish this to be made public for the benefit of others. Yours, with much gratitude, ELIZABETH RYAN.

The medicine is a certain cure for tumours of all kinds: ulcers, warts, corns, &c. For the cure of the foregoing, as well as cancers, in their early stages, mother has made arrangements to forward the medicine to any part of the province, with directions to use it. But in bad cases of cancer it requires very careful and somewhat different treatment, so that it is almost indispensably necessary for the patient to be within daily reach of my mother. Persons wishing to obtain the medicine for the cure of any of the above diseases, except these very bad cases of cancer, can do so by enclosing 20s. to the subscriber, or to David Rogers, who will guarantee the delivery of the medicine, as well as the cure of the disease, if directions are attended to. Everybody of course will readily understand that our object in making the matter public, is, first, to make money out of it, and secondly, to heal the sick; and whether we make any money out of it or not, we would be selfish indeed if we refused to make public a medicine of such wonderful healing powers, when so many are dying with that fatal disease—Cancer. Yours respectfully, W. H. ROGERS. P. S.—A number of other certificates of cures made will soon be published. W. H. R. July 1. 1 ins.
