NEW ADVERTISEMENTS.

NRS. JACKSON'S LINIMENT.

To the Public Generally .- I have intended for some time to advertise in the public prints a medicine which I issue, known to some extent in these Provinces, by the title of Mrs. Jackson's Compound Stimulating Gold Liniment &c. I would now make some few remarks in regard to the Liniment, and publish a few Certificates in its favour. I have issued this Liniment for some five or six years in small quantities, but an urgent demand for it has caused me to make, and offer to the public the medicine in thousands of bottles. I take this opportunity of presenting to the public my sincere thanks for their prompt, and liberal patronage of my Liniment. I would also express my gratitude to Deacon William Raymond for the support and aid, which he has rendered me in bringing this most valuable medicine to the notice of the public. I could say much in its favour, but I consider it quite unnecessary as the medicine once introduced into a family or neighbourhood soon commends itself.

The following extract of a letter addressed to my husband last winter from Upper Wilmot, Co. of Annapolis, is as good a certificate as can be published in

Wilmot, January 8th, 1863.

ELDER W. JACKSON,-Dear Sir .- The six bottles of Liniment I bought of you are nearly used up by my neghbours and myself. Please send me six bottles more by mail if there is no private conveyance, I took a most painful and terrible disease myself a short time ago. I used Mrs Jackson's Liniment freely and was relieved. I do not know what I should have done if I had not had her medicine. It is decidedly the best Liniment I ever used. My son's wife was taken very sick with an extention and pain in her right side. The swelling in the side was so sudden, and the pain so severe as to wring from, her the most agonizing shrieks that we all thought her case desperate. I gave her the Liniment in pretty large doses inwardly, and bathed her profusely in the locality of the swelling, and the pain. TO be sold at Public Auction, by the Sheriff By the time the doctor, who, with all dispatch had been sent for, arrived, she was entirely relieved of her sufferings. The doctor approved of what had been done, gave her no medicine, and by continuing the use of the Liniment the woman perfectly recovered, I feel it my duty to make these facts known that othersmay be benefitted by so valuable a medicine.

SAMUEL SPINNEY. William Hayward, Esq., of St. John, N. B , writing from that place under date of July .0th, 1863, says as it regards the efficacy of your medicine as a Liniment, and its good effects when judiciously administered, both inwardly, and outwardly, I have a very At Chester, on the 22nd inst., Miss Caroline claiming, or to claim, under the said John Schultz, of, high opinion of it, and believe that for the purposes for which it is adapted it is unsurpassed.

> I am happy to say that while my Liniment is so efficacious in giving relief to the human system involved in suffering, it is also an important medicine for Cattle in a variety of diseases. The following certificate

Sunrise, Township of Clare, Co. of Digby, July 7th, 1863.

This is to certify that a five year old horse that I had given up to die, was relieved and cured by Mrs. Jackson's Liniment. The disease had been pronounced Glanders. It may have been the last stage of the horseail-if relief had not been obtained. Every effort had been made by myself and others to relieve her, out nothing did any good, till the Liniment was used inwardly, and outwardly. I gave two tablespoonful inwardly in tea sweetened with molasses at a dose, and bathed her enormously swollen head, and throat freely with the medicine wrapping up the same in thick clothes. The Liniment broke the disease completely up in a few hours, and in eighteen or twenty hours she began to eat hay which she could not do for days previous.
