IS THERE any VIRTUE in Mrs. S. ALLEN'S WORLD'S HAIR RESTORER AND ZYLOBALSAMUM?
Convincing Testimony.

REV. C. A. BUCKBEE, Assistant Treasurer American Bible Union, N. Y. City, writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. E. A. Allen's World's Hair Restorer and Zylobalsamum."

REV. W. M. CUTTER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."

REV. J. H. CORNELL, N. Y. City: "I procured it for a relative. The falling of the hair stopped, and restored it from being grey to its natural and beautiful color."

REV. A. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and, where grey, to its original color."

REV. A. WEBSTER, Boston, Mass.: "I have used them with great effect. I am now neither bald nor grey. My hair was dry and brittle; it is now soft as in youth."

REV. H. V. DEGEN, Boston, Mass.: "That they promote the growth of the hair where baldness is, I have the evidence of my own eyes."

Fattening Stock.
Farmers will find it a saving to them of many dollars by using these Powders. When fattening Stock, by mixing a little of these Powders with the food, you will find that it will make one bushel of Feed do more good than TWO bushels given without the Powders. In feeding one hundred bushel of grain, a man can save at least fifteen bushels by using these powders. Use them and you will find it so.

The many DISEASES of HORSES can almost all be PREVENTED or CURED by these Powders.
ONE POWDER drives out WORMS. ONE POWDER cures BOTS. ONE POWDER puts a Horse in condition. ONE POWDER makes a Horse shed his coat. ONE POWDER gives a soft and glossy appearance to the hair. ONE POWDER cures the Horn distemper in Cattle.

The CARLTON'S CONDITION POWDERS, given according to directions, are the best thing in the world to STRENGTHEN a horse, and to re-serve him to health and vigor after severe exposure or hard driving.

These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty.

Ayer's SARSAPARILLA,
THE WORLD'S GREAT REMEDY FOR
Scrofula and Scrofulous Diseases.
From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."
Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.
From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."
From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Denniseville, Cape May Co., N. J.
"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."
From Charles P. Gage, Esq., of the widely-known Gage, Marsden & Co., manufacturers of enamelled papers in Nashua, N. H.
"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could do both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."
Erysipelas—General Debility—Puffiness of the Blood.
From Dr. Robt. Sawin, Houston St., New York.
"Dr. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."
From J. E. Johnston, Esq., Wakarusa, Ohio.
"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the coria became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."
From Hon. Henry Monroe, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament.
"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."
St. Anthony's Fire, Roes, Salt Rheum, Scald Head, Sore Eyes.
From Harvey Stekler, Esq., the able editor of the Frankfort Democrat, Pennsylvania.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."
Syphilis and Mercurial Disease.
From Dr. Hiram Stout, of St. Louis, Missouri.
"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."
From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.
"Dr. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."
Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy of treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.
Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.
From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.
"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."
A lady, unwilling to allow the publication of her name, writes:
"My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."
Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS
possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
Prepared by **J. C. AYER, M. D., & Co.,** Lowell, Mass., and sold by
