ARRIVAL OF A RUSSIAN FLEET AT NEW YORK.—The arrival of a fleet of Russian war vessels in New York harbor has caused quite a sensation.

It is evidence of the friendly feeling of the Czar and the people of Russia, at a moment when the other Governments of Europe have been in accord, of feeling at least, with a desperate band of traitors and rebels seeking to destroy our Union and nationality.

The city of New York have decided upon giving the officers of the fleet a public reception at the Governor's Room, City Hall; a visit to the public institutions, High Bridge, Park, &c.; a grand banquet.

The Confederate steamer Florida has been seized at Brest to answer the claims of French subjects who allege that they have sustained damage by her proceedings.

INDIA.

The Times of India has the following.—“We are glad to be able to relieve the public of all further uncertainty concerning the Nana.

Judging from the photographs we have seen, we should be inclined to think that they have got his brother, Baba Butt, an old man, and, according to description, considerably more like the photograph we have seen than the Nana himself.

JAPAN.

NEW YORK, Sept. 7.—Intelligence received here from Japan to the 25th of July states that

the Japanese had fired into the British ship Medusa and the American ship Pemberton, between Ningaradi and Kanagawa, killing several men. The American steamer Wyoming and the British steamer Lavendale proceeded to the scene of the outrage, destroyed the town forts, spiked the guns. The British lost three men, and the Americans five men. 2,000 Japanese were reported to have deserted towards British vessels, but it was thought they would not pass within range of the British guns.

RUSSIA AND FRANCE.

PARIS, Sept. 15.—The Russian reply to the French note is conceived in even more courteous terms than the previous ones, and expresses sentiments favourable to the good relations existing between France and Russia.

The Patrie says:—“The statement that Mr. Slidell had gone to Brest is unfounded. He has been for some time at Biarritz.”

The reply of Prince Gortchakoff to the Austrian note on the Polish question is brief, and announces that a more detailed memorandum will follow.

Prince Gortchakoff states that Russia assumes the full responsibility of her acts.

The sale of the Plantation Bitters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health-restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark, Cascarilla Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Wintergreen Anise, Cloverbuds, Orange-peel, Snake-root, Caraway, Coriander, Burdock,

S. T. 1860-X. &c.

They are especially recommended to clergymen, public speakers, and persons of literary habits and sedentary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for. They purify, strengthen and invigorate.

They create a healthy appetite.

They are an antidote to change of water and diet.

They overcome effects of dissipation and late hours.

They strengthen the system and enliven the mind.

They prevent miasmatic and intermittent fevers.

They purify the breath and acidity of the stomach.

They cure Dyspepsia and Constipation.

They cure Diarrhoea, Cholera and Cholera Morbus.

They cure Liver Complaint and Nervous Headache.

They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer.

The following startling and emphatic statements can be seen at our office. Letter of Rev. E. F. CRANE, Chaplain of the 107th New-York Regiment:

NEAR ACQUIA CREEK, March 4th, 1863.

Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New-York, was prescribed to give me strength and appetite.

To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment. * * * * *

I have since seen them used in many cases, and am free to say, for hospital or private purposes I know of nothing like them.

REV. E. F. CRANE, Chaplain.

Letter from the Rev. N. E. GILDS, St. Clairsville, Pa.:

GENTLEMEN—You were kind enough, on the former occasion to send me a half dozen bottles of Plantation Bitters for \$3 50. My wife having derived so much benefit from the use of these Bitters, I desire her to continue them, and you will please send us six bottles more for the money inclosed.

I am, very truly, yours, N. E. GILDS, Pastor Ger. Ref. Church.

SOLDIERS' HOME, SUPERINTENDENT'S OFFICE, CINCINNATI, Ohio, Jan. 15th, 1862.

I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvelous and gratifying.

Such a preparation as this is I heartily wish in every family, in every hospital, and at hand on every battle field.

G. W. D. ANDREWS, Superintendent.

Dr. W. A. CHILDS, Surgeon of the Tenth Vermont Regiment, writes:—“I wish every soldier had a bottle of Plantation Bitters. They are the most effective, perfect, and harmless tonic I ever used.”

WILLARD'S HOTEL, WASHINGTON, D. C., May 27d, 1863.

GENTLEMEN—We require another supply of your Plantation Bitters, the popularity of which daily increase with the gloom of our house.

Respectfully, SYKES, CHADWICK & Co. &c. &c. &c. &c. &c. &c.

Be sure that every bottle bears the face-simile of our signature on a steel plate label, with our private stamp over the cork.
