THE PSALMIST, WITH SUPPLEMENT. Containing an additional Selection of more than one hundred HYMNS (in place of the "Chants and Selections for Chanting"). By RICHARD FULLER and J. B. JETER. Same sizes, styles of binding, and prices, as the other edition.

THE PSALMIST, WITH MUSIC; A MANUAL FOR THE SERVICE OF SACRED SONG, containing ALL THE HYMNS OF THE PSALMIST, with a copious and very CHOICE SELECTION OF TUNES, adapted to all the metres, on the same page with the hymn, for the convenience of CONGREGATIONAL SINGING, and also for CHOIR USE. Collated and edited by B. F. EDWARDS, Esq.

Such has been its unparalleled popularity that it may now be said to have become THE BOOK OF THE BAPTIST DENOMINATION, being almost universally used in the churches throughout the United States and also in the British Provinces. It contains nearly THIRTEEN HUNDRED HYMNS, about one-fourth of which are by Watts. Among the other prominent authors, will be found Doddridge, Steele, Montgomery, Cowper, Kelly, Newton, Wesley, Toplady, Heber, Barbauld, Bowring, Sigourney, Scott, Hemans, etc. etc., numbering in all nearly three hundred different authors! The whole field of English sacred literature has been explored, and the choicest appropriate productions culled, to form this admirable collection.

Factors in Boston and vicinity, in New York and Philadelphia, Professors in the various Theological Seminaries, and a great number of Clergymen, of Churches, Associations and Conventions, in every State of the Union, have, unhesitatingly, given their most unqualified testimony to the high character of this work. Among the vast number of testimonials which might be given,—sufficient, in all, to form a good-sized volume,—is the following:— Rev. GEORGE B. IDE, D. D., says of the work, with characteristic energy of thought and beauty of expression,—"Such another collection of hymns for public worship, so beautiful in its execution, so natural, clear, and perfect in its arrangement, so varied, copious, and appropriate in its list of subjects, so lyrical in its structure, so devotional in its spirit, so scriptural in its sentiments, so sweet, pure, and elevated in its poetry, I do not believe the world can furnish, and I am certain the English language cannot! It is a work, in every respect, of such surpassing excellence as to leave nothing in its department to be desired."

This strong, emphatic language of Dr. Ide has been fully approved and endorsed by Dr. Hagar, Dr. Brantley, and other clergymen of note. Candid judges of other denominations have commended the Psalmist as having no superior, if any equal, in character and fitness for public worship.

THE PSALMIST, WITH MUSIC, involving a large outlay of time and money, was undertaken to meet the growing desire on the part of many churches to adopt CONGREGATIONAL SINGING. This Manual embraces ALL THE HYMNS OF THE PSALMIST, with one or more tunes adapted to each hymn. The tunes have been selected, with great care and rare judgment, by B. F. EDWARDS, Esq., a gentleman of fine musical taste, a chorister for many years in one of our largest churches, and an active manager of several of our leading musical societies. They are chiefly taken from the approved standard tunes, whose long use and popularity in the churches attest their fitness for congregational singing. The convenient size of the Manual, its cheapness, its judicious arrangement, as well as its ADMIRABLE SELECTION OF TUNES, give it important advantages over every other Manual for public worship. Churches already using the Psalmist—with MUSIC, at very trifling expense. No change of books will be required for those who do not join in the singing. The numbering of hymns is the same in all editions, and the full and perfect INDEXES enable minister or people to refer from one edition to the other without difficulty. Only those who wish to sing, and to have the tunes before them, will need the new edition with Music, and the great expense incident to an entire change of hymn-books will thus be avoided.

All the various editions are now printed from new, clear, handsome electrotype plates, on good paper, and bound in a great variety of styles, in the most substantial manner. And although, in consequence of the unparalleled advances in paper and all other book materials, the price has of necessity been somewhat advanced, it is still the cheapest work of the kind published.

MERCURIAL DISEASES—Persons whose constitutions have become impaired by the judicious use of Mercury, will find this medicine a perfect cure, as they never fail to radiate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

The Plants and Herbs of which these Pills are made were discovered in a very surprising way among the Tezuans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the GREAT MEDICINE OF THE AZTECS.
