JUDSON'S MOUNTAIN HERB PILLS,

The Manochan or Great Medicine.

These Pills have now been thoroughly tested and have maintained the highest character everywhere, they have the wonderful power of restoring to health persons suffering under all diseases arising from

Impure Blood.

and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.

The following are among the distressing variety of diseases in which these Pills are invaluable.

BILIOUS FEVERS and LIVER COMPLAINTS.—General Debility, Loss of Appetite and Diseases of females,—the Medicine has been used with the most beneficial results in cases of this description:—Kings Evil and Scrofula, in its worst forms yields to the mild yet powerful action of this most remarkable Medicine. Night Sweats, Nervous Debility, Nervous Complaints, of all kinds; Palpitation of the Heart, Painters' Colic; are speedily cured.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its use.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors.

SCORBUTIC ERUPTIONS and bad complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time, will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

MERCURIAL DISEASES—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to radiate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezuacans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the GREAT MEDICINE of the Aztecs.

OBSERVE.—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 Pills, and Retail at 25 cents per box: All genuine, have the signature of B. L. JUDSON & Co., on each box.

CARD.

To the Free, Independent, and unbought Electors of South Colchester.

GENTLEMEN—I return you my sincere thanks for the very handsome support afforded me at the late contest in your County; and I feel much gratified to say that although I polled nearly 200 votes less than the Attorney General with all his influence as a Lawyer among you—his position in the Government, and money lavishly scattered, yet that my support is the free, unbought suffrages of nearly 1000 good and true men, who wanted not money for their birth-right, but who, themselves being free, allowed others the same privilege. Conservatives of this County, you stand foremost in the Province as having set your faces against bribery and corruption at elections, but refusing to be a party any longer to such a system, and by thus giving your suffrages to one almost a stranger, who pledged himself not to offer bribes, and who also pledged himself to eschew strict party feeling, and study the interest of the whole people.

This time you were unsuccessful, as others less scrupulous scattered money freely, and thus secured more votes; but a day is coming when your good example will be followed, and your representatives being elected by freemen, will act as freemen, and seek the interests of the whole people. The Sheriff will return my opponent, no doubt; but I shall appeal to a committee on Bribery, as I am satisfied I have clear and positive cases, and expect at a future day again to solicit your suffrages. I am determined to seek, and if possible obtain, a seat at the heads of my native county.

To the many Liberals who treated me with kindness and courtesy, I also return my thanks. To those who acted like fools and madmen, pretending to be Liberals while acting as tyrants, I hope for a speedy reformation and enlightened minds. To one and all for the present adieu. Yours, JOHN D. NASH. June 10.
