From the Louisville Journal.

We wish to say to our friends among the army sutlers-and their name is legion-that they should never be without a supply of PERRY DAVIS' PAIN KILLER, the greatest medicine of the age. Every soldier wants it; the army surgeons want it; the wagoners and farriers want it; and all of our volunteer nurses-God bless them-we are told never fail to have a supply when starting on their errands of mercy. It is put up in neat boxes of two dozen each, securely packed in sawdust. Can be transported over any road without danger of breaking. Sold by Avery Brown & Co., and Brown, Brother

[From the Richmend Whig.]

The Charleston Courier makes a timely suggestion in recommending the attention of our government to the naturalization and cultivation of Calisaya, for the health of our soldiers. This article has a peculiar e fect upon the liver, and guards the system against disease by exposure and irregular diet. It is said that Embree, Port Hawkesbury : Strauger, Farnsworth, the great success of the Plantation Bitters of Dr. St. John N. B.; Union, De Vache, Arichat and P. E. Drake, which, previous to our unhappy difficulties was found in most Southern homes, was owing to the extract of Calisaya Bark which it contained as one of its principal ingredients -"In confirmation of this, we have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters cannot be obtained, a substitute should be prepared .- We understand our government has opened negotiations with Dr. Drake, through a secret agent, but with what truth we do not know." . .

We are exceedingly obliged to the Richmond Whig for its rememberance of "Auld Lang Syne," but we can assure "Our Government" that the Plantation Bitters are not for sale by any "secret agents," North or South. There is probably several other things that "Our Government" will yet want,

We know that we have the best and most popular medicine in the world. We are not afraid to show what it is composed of.

Physicians are compelled to recommend it.

CALISAYA BARK has been celebrated for over two hundred years, and was sold during the reign of Louis XVI, King of France, for the enormous price of its own weight in silver. It is remarkable for Dyspepsia, Fevers, Weakness, Constipation, &c.

CASCARILLA BARK .- For Diarrhea, Colic and diseases of the stomach and bowels.

DANDELION .- For Inflammation of the Loins and Dropsical Affections. CHANQUILE FLOWERS .- For enfeebled digestion.

LAVENDER FLOWERS -- Aromatic, stimulant and onic-highly invigorating in nervous debility. WINTERGREEN .- For Scrofula, Rheumatiem &c.

ANISE .- An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing. Also, clove-buds, orange, caraway, coriander, snakeroot, &c. S.-T.-1860-X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

Humbugs and quacks howl about the Plantation Bitters; but the following is what's the matter, and they know it: PLANTATION BITTERS WILL CURB

Cold Extremities and Feverish Lips. Sour Stomach and Fetid Breath. Flatulency and Indigestion. Nervous Affections. Excessive Fatigue and Short Breath. Pain over the Eyes. Mental Despondency. Sallow Complexion, Weak Bowels.

Very particularly recommended to Clergymen, Merhants, Lawyers, and persons of sendentary habits. Also for delicate females and weak persons who recaire a gentle stimulant, free digestion, good appetite and clear mental faculties.

LIVER COMPLAINT AND DYSPEPSIA.
