The Miracles of Christ,

AS ATTESTED BY THE EVANGELISTS. By Rev. Alvah Hovey, D. D. Professor in Newton Theological Seminary. 1 Vol 12 mo.

These lectures delivered before the Students of the Institution, are now submitted by the Publishers to the public, with the belief that they will be an invaluable contribution to our religious literature, and will be ranked as a standard in this department.

The following selections from the authors preface will give the general idea of the work. "To exhibit the testimony of the evangelists to the miracles of Christ, is the chief purpose of the work. A careful survey of this testimony—noticing points of agreement and difference between the several writers, the fairness and minuteness with which they relate to the events in question, and the abortive attempts which have been made to impeach their veracity—must be acceptable to those who are seeking a knowledge of our Saviors life."

This survey is preceded by an introduction pointing out the fallacy of scientific and philosophical objections to miracles, and followed by a conclusion characterizing the evangelical.

Attention has also been directed to the occasion and import of particular miracles wrought by Christ. "Although the following examination rests every where upon the original text of the Gospels, the use of Greek terms has with a very few exceptions been avoided, and the entire argument has been put within the reach of every thoughtful person."

3. Wherever there are tracts of land suitable for settlement, it shall be lawful for the Commissioner of Crown Lands, when so instructed by the Governor in Council, to lay them off in one hundred acre lots, with convenient roads running through them, and to place them at the disposal of Immigrant Agent for actual settlement.

4. Whenever such lands are required, either by inhabitants of the province or by industrious Immigrants coming into it for actual settlement, surveys shall be made, and the applicants put in possession and allowed a credit of three years for the purchase money, which shall be expended in opening such roads as may be required for the formation and improvement of the settlement, and upon payment grants shall issue.
